VENEREAL COMPLAINTS.
A. S. DR. WARNER'S practice has been very
extensive both in public and private, daily
experience convinces him of the propriety of his
method of removing the venereal disease, in
preference to any medicine vendid or known in
Baltimore. He has removed the most desperate
cases with care and dispatch, after the failure of
some of the ablest physicians both in Europe and
America. Complaints of the urinary passages
and debility thereof, from various causes and
accidents, removed in the shortest possible space
of time.—As there are persons from various
causes cannot personally apply, it may be ne-
cessary to inform them, they may be relieved
from a description of their complaint.
Dr. W. warrants a cure in all cases. Mas-
sars of vessels and travellers may have their
medicines so prepared, that a safe, effectual and
expedient cure may be effected, without the
least restriction in drink or diet.
N. B. Dr. Warner has removed to the corner
of Calvert and High streets.
