

Notice.

THOSE persons who have read an advertisement in the American of Friday last, signed at the bottom Wm. Weatherly, are informed that I do not know, nor did I to my knowledge ever see a man by that name; or course he is an impostor—and it is evident that his intention was to practice fraud by obtaining credit on the land. The public are cautioned against trusting said Weatherly, at the peril of losing their property as I have reason to believe that he is a rogue. JNO. SAMPSON.

N. B. As I was in the country for several days past, it is presumed the fellow who ever he is, conceived the idea that I was on my way to Kentucky, and he was secure from detection. J. S. d4t

WITH sincere thanks to the numerous respectable assembly, who attend the Philosophical Exhibition, the subscriber on Tuesday evening last, he laments a disappointment, which both them and himself felt, on account of several events, which rendered the representation so much less interesting, than they had a right to expect, and the subscriber fully intended, and hoped it would have been.

Several of the most interesting experiments, in the first part of the exhibition, were effectually defeated, by an unfortunate accident, which shall neither be strictly guarded against. But it is with extreme regret, the subscribers states, that the Optical part of the representation, was in a great measure marred, by the intrusions of persons into the area, between the spectators and the scenes, and which compelled him from the consequent derangement of operation, to omit many of the most interesting pieces. He hopes that after this notice, no such intrusion will be repeated. There were numerous instances in the evening, of persons entering the room without delivering their tickets; such as were admitted in this manner, the subscriber hopes, will be so good as to send back their tickets to the place from whence they received them, or to the subscriber. In consequence of some necessary alterations and arrangements in the room, the next exhibition will be postponed till WEDNESDAY NEXT, the 12th inst. at half past 6 o'clock, P. M. and will be positively continued in future, on every WEDNESDAY and SATURDAY, at the same hour. Tickets may be had at Messrs. Carr's and Conrad's stores, and at the office of the Federal Gazette as usual, or down stairs at the Octagon. L. GEANTY. December 7

A Tract of Land at Public Sale. To be sold at Public Sale, on FRIDAY, the 20th day of December next, on the premises, if fair, if not, on the next fair day, A TRACT of LAND, on which Mr. Nicholas Dorsey lately lived, containing about 486 acres, with a commodious two-story brick House, and other necessary buildings, which, at a small expense, may be put in good repair. This tract immediately joins Mr. Richard Owings's mill-property (on Elk-Ridge) where a constant market is offered for the produce of it, at the very door. It is situated about 20 miles from Baltimore, and nearly the same distance from the Federal City. From its proximity to these two great markets, it is certainly an object worthy the attention of the farmer who can afford to improve it; and offers to the inhabitant of the city a profitable retreat in summer, where he will find a variety of fine fruits, and as healthy a spot as any in this country. A further description is deemed unnecessary, as the purchaser will of course view the premises—and it is expected it will be sold a great bargain. Mr. Wiling and Mr. Samuel Ridgely, who live in the neighborhood, will shew the property to whoever may wish to view it. Terms of sale—One half payable in 60 days, the residue in 1 and 2 years. ELOPED

FROM the subscriber on the evening of the 28th July, a bright mulatto man, named PERRY BENTLEY, aged about 50 years, but in appearance not more than two or three and twenty; he is a straight made handsome fellow, about 5 feet 10 inches high, and rather slender, his visage long and features small, with a direct and steady look when addressed.—He took with him a change of good summer and winter clothing. Any person securing the above described man, so that the subscriber can obtain him, shall receive 20 dollars if taken in the state, if taken out of the state 40 dollars, together with all reasonable charges. PEREGRINE TILGHMAN. Talbot County, July 29. (A 2)

Hannah Wiebert, AN INDENTED GERMAN SERVANT WOMAN, ran away from the subscriber about the first of September last. She is between 18 and 20 years of age; and is about the common size—of somewhat clumsy form, with a little of a bend about the neck and shoulders. She has a down look—has little hair, which is of a light color—her complexion fair, with rather a mixture of sallowness. Her head and face fat, the latter of which, when she is at work, she is in the habit of twisting in a variety of ugly shapes. She took with her, a dark calico gown, and several cotton striped dresses, and a Leghorn bonnet trimmed with black. It is supposed she went off with a German, a butcher. She arrived in this country, with her father, from Wittenburg about a year since—his name is Jacob Wiebert, and he is, by profession, a gardener. Since her flight he left the city, and, no doubt, he is now with her. She could speak some little English, but her father could not. A REWARD. TEN DOLLARS Will be paid by the subscriber, if said run-away is secured so as he can get her again. W. PECHIN. Nov. 25

French Night School. NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but as to promise to do wonders in half of my pupils—I have no need, it suffices to tell them that no language can be learned without grammatical rules, even as far as translations the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years; I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March. JOSEPH PAILLOTTEE. N. B. Private tuition, any hour during the day, so as to accommodate the different scholars who may apply. September 9

VENEREAL COMPLAINTS. A S DR. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint. Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared, that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet. N. B. Dr. Warner has removed to the corner of Calvert and Bank-streets.
