NOTICE.

I INTEND to petition the General Assembly for an act of insolvency, to relieve me from debts I am involved in by imprudences of Mr. Charles Edwards, which debts I was not necessary in creating.

Dec. 17 G. P. GREENFIELD.

Hannah Wiebert,

AN INDENTED GERMAN SERVANT WOMAN, ran away from the subscriber about the first of September last. She is between 18 and 20 years of age; and is about the common size—of somewhat clumsy form, with a little of a bend about the neck and shoulders. She has a down look—has little hair, which is of a light color—her complexion fair, with rather a mixture of salowness. Her head and face flat, the latter of which, when she is at work, she is in the habit of twisting in a variety of ugly shapes.

She took with her, a dark calico gown, and several cotton striped dresses, and a Leghorn bonnet trim'd with black.

It is supposed she went off with a German, a butcher. She arrived in this country, with her father, from Wirtzburg about a year since—his name is Jacob Wiebert, and he is, by profession, a gardener. Since her flight he left the city, and, no doubt, he is now with her. She could speak some little English, but her father could not.

TEN DOLLARS

Will be paid by the subscriber, if said run-away is secured up as he can get her again.

TO BE SEEN,

Two Dromedaries,

FROM ARABIA. THESE are the first of the species ever imported into this country. The value of them is such, that the Arabian, possessed of his Dromedary, has nothing either to want or to fear. They will travel at the rate of a hundred miles in a day, 5 or 6 days together, without either eating or drinking. They are part like the horse, cow, sheep, and the rabbit, and are the most docile animal in the world. They kneel down, take on their load, and wait the pleasure of their keeper to rise. They arrive at their full growth at 6 years old, which is about 20 hands high, and live to the age of 40 or 50 years. The oldest of the above is forty years, and the youngest 17 months. These astonishing Animals are to be seen at N. 36, opposite the lower Marsh-market. It is to be hoped the Ladies and Gentlemen of Baltimore will not lose this favourable opportunity, which may be the only one (at least for many years) of viewing these surprising animals, so much spoken of by naturalists and Historians.

Admittance 25 cents, children half price.

French Night School.

NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL, in my common dwelling, between Light-street and Charles-street; but as to promise to do wonders in behalf of my pupils—I have no need, it suffices to tell them that no language can be learned without grammatical rules, even as far as translations; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial Judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years; I ought to be a competent Judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.

JOSEPH PAILLOTTEE.

N. B. Private tuition, any hour during the day, so as to accommodate the different scholars who may apply.

VENEREAL COMPLAINTS.

AS DR. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time. As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint. Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared, that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet. N. B. Dr. Warner has removed to the corner Calvert and Bank streets.

For Sale.

Twenty Dollars Reward.

RAVE AWAY from the subscriber, about the 20th of November last, an apprentice to the Cabinet-Making business, named JAMES GRIFFIN. He is about 18 years of age, 5 feet 4 inches high, of stout make, with sandy colored hair, and much freckled. His clothing cannot be particularly described, but his mode of dressing was plain and tidy; and as he was in possession of a brown coating watch coat, it is probably he wears that to accommodate himself to the season. As, for some time past, he has expressed a desire of visiting Cincinnati, in the Western country, to follow certain of his friends who have lately migrated from here to said quarter, it is thought highly probable he has bent his course that way. The above reward will be paid if taken out of the state, and if within the state, thirty dollars will be paid. And in both cases all reasonable charges.
