VENEREAL COMPLAINTS.

AS Dr. WARNER's practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.——As there are persons from various causes cannot personably apply, it may be necessary to inform them, they may be releived from a description of their complaint.

Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared, that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.

N. B. Dr. Warner has removed to the corner Calvert and Bank-streets.

A Certainty.

THE comforts of a keen razor comes so feelingly home to the mazzards of civilized mankind, that little can be necessary to illustrate the subject to any person, who has ever been shaved with a blunt or rough one. The bearded world are therefore respectfully informed, that Hopkins' Magnetic Strop and Diamond Paste, is out of all comparison the best ever yet offered to the public for keeping the razor in order, price from 37 1-2 cents to 2 dollars and 50 cents. Paste in boxes with directions to keep the strop in order 50 cents, sold wholesale and retail by J. Hopkins, No. 65, south Third-street, Philadelphia; WARNER and HANNA, Baltimore; where may be had all the *best patent Medicines* now in family use; Books, Stationary and Lottery Tickets as usual for sale.

Informs his friends and the voters of the city and county at large,

THAT he continues to solicit their patronage for the office of SHERIFF, at the ensuing election.

WE, the subscribers, of the city of Baltimore, do hereby certify, that Mr. William Merryman has acted towards us, as his creditors, in an honorable and upright manner—and has settled with us, we believe, to the utmost of his ability, and much to our satisfaction.

We are convinced his failure in business proceeded not from his own misconduct, but from those misfortunes incident to trade.

And further, after the insolvent act was passed in his favor, he shewed no disposition to use it to our injury, but made us, his crediters, such liberal propositions as to convince us of his correct intentions towards us.
