Worthy of Attention.

On THURSDAY,
The 27th March, at the auction store of the sub-
scriber, at 12 o'clock, will be offered for sale,
the following VALUABLE PROPERTY, on
terms that will then be made known, which will
be accommodating.
FOUR PLANTATIONS, or TRACTS of
unimproved LANDS, containing about 450 a-
cres, each of Patented Lands, being in Berk's
county, and state of Pennsylvania—within about
100 and 10 miles of Philadelphia, being in the
neighborhood of many respectable German set-
tlers, of Grist and Saw Mills, and contiguous
to the Schuylkill and Susquehanna Rivers;
waters that bring lumber and produce to Phila-
delphia and Baltimore. One is well watered,
and abounds with excellent timber. The title
clear and indisputable, being patented to, and
will be conveyed by a gentleman of property
and unexceptionable character in Baltimore.
Also,
25,000 acres of prime COTTON LANDS,
patented in single thousand acre patents, and
are adjoining each other, in Washington coun-
ty, state of Georgia, upon the waters of the
Ogetabee river, and within about 30 miles of
Louisville, the seat of government of the state,
with clear and indisputable title; and will be
conveyed by the same gentleman—and sold single
or all together. The character of the lands
given by a gentleman of the first respectability
residing in Georgia, who has been over them,
as follows: "The general situation and quali-
ty of the soil is favorable to the culture of cot-
ton and small grain. It is generally well water-
ed, and abounds with excellent pine timber.
The streams are frequently obstructed by heavy
growths of trees and briars—a sure criterion
of the richness of the soil. The situation
of the streams affords flattering inducements for
the establishment of Saw Mills, and it is clear
of any prior claims. The growing import-
ance of cotton lands are well known, and these
are in the vicinity of the seat of government."
THOMAS CHASE, Auctioneer.
