**CONVENTION**  
Of the Medical & Chirurgical Faculty of Mary-  
land—June, 1805.  
The following gentlemen were elected offi-  
cers for the term of two years:  
President  
Dr. Philip Thomas.  
Secretary  
Dr. Nathaniel Potter.  
Treasurer  
Dr. Henry Wilkins.  
Examiners for the Western Shore.  
Drs. George Brown, C. A. Westfield, John Craw-  
ford, John Coulter, James Steuart,  
John B. Davidge, N. Potter.  
For the Eastern Shore.  
Drs. Emals Martin, Tristram Thomas, S. T.  
Johnston, P. E. Smith, James M. Anderson, Jun.  
Drs. Smyth, Noth, Chataud, Owen, Tolle,  
and Allender, were elected additional censors  
for the city of Baltimore; and Dr. Morgan  
Brown was chosen to fill the vacancy occasioned  
by the death of Dr. Edward Warrel, of Kent  
Drs. Martin and Potter were elected biennial  
orators.

Those gentlemen who were examined in  
1805, and have not received their licenses, will  
please to apply to Dr. Martin at Easton, for the  
Eastern, and to the Secretary at Baltimore, for  
the Western Shore.—As all licentiates are  
of consequence members of the Faculty, their  
names will be registered in the proceedings  
about to be published, but no license will be  
granted until the sum of ten dollars for each  
applicant shall have been paid.  
The practitioners of physic and surgery in  
the state of Maryland, who have commenced  
the practice since the first Monday of June,  
1799, are respectfully informed, that, unless  
they have obtained a license from one of the  
boards, or have produced to them satisfactory  
testimonials of their qualifications, they are  
liable to prosecution by indictment, and to a  
fine of fifty dollars for each prescription for  
which they shall have received remuneration.  
They are moreover informed that each of them,  
whether graduate or licentiate, stands indebted  
to the Faculty in the sum of ten dollars.  
Those of the Faculty who may not have re-  
ceived Dr. Davidge's oration, will please to  
apply to the author or the secretary for the copy  
to which each member is entitled.  
The secretary has to regret that he cannot  
announce to the Faculty the publication of Dr.  
Crawford's oration, though he can assure them  
they are flattered with the expectation of re-  
ceiving it previous to the first of June.  
There will be a meeting of the board of ex-  
aminers for the Eastern Shore, at Easton, on  
the second Monday in April, and for the West-  
ern Shore, at Baltimore, on the first Monday  
in June; where all persons, candidates for li-  
censes to practise physic or surgery in the  
state of Maryland, are requested to attend.  
The secretary reiterates his admonition to  
the censors to be vigilant, lest the medical law  
be violated by unlicensed practitioners, and  
flatters himself they are sensible that all our  
efforts to promote the cause of science and hu-  
manity must prove unavailing, without the rig-  
orous execution of this duty.

The Faculty will please to observe, that, ac-  
cording to resolution of the last convention, a  
digest of their proceedings will be comprised  
in a pamphlet, as soon as an accurate list of the  
members can be procured, and that, in this  
they are respectfully requested to allow their mat-  
ters appearing to the Institution.  
The secretary takes leave to apologise to the  
Faculty for having deferred so long the annual  
report, and assures them that the impracticability  
of obtaining the necessary information has  
been the sole cause of the apparent inaction  
of the Faculty.

By order of the Faculty,  
NATHANIEL POTTER, Secretary  
Medical & Chirurgical Faculty of Maryland

**VENERAL COMPLAINTS.**  
S Dr. WARNER'S practice has been very  
extensive both in public and private, daily  
experience convinces him of the propriety of his  
method of removing the venereal disease, in  
preference to any medicine vended or known in  
Baltimore. He has removed the most desperate  
cases with care and dispatch, after the failure of  
some of the ablest physicians both in Europe and  
America. Complaints of the urinary passages  
and debility thereof, from various causes and  
accidents, removed in the shortest possible space  
of time.—As there are persons from various  
causes cannot personally apply, it may be ne-  
cessary to inform them, they may be relieved  
from a description of their complaint.  
Dr. W. warrants a cure in all cases. Mas-  
ters of vessels and travellers may have their  
medicines so prepared, that a safe, effectual and  
expeditious cure may be effected, without the  
least restriction in drink or diet.  
N. B. Dr. Warner has removed to the corner  
Calvert and Bank streets.

FRENCH NIGHT SCHOOL in my common  
dwelling, between Light-street and Charles-  
street; but as to promise to do wonders in the  
half of my pupils—I have no need, it suffices to  
tell them that no language can be learned with-  
out grammatical rules, even as far as translation;  
the master and scholars must take a great deal  
of pains; also, that every person is not capable  
to learn a foreign language. Those impartial  
judges who know me will certainly agree, that  
after having taught the French language to the  
most respected Ladies & Gentlemen of America,  
during more than 45 years; I ought to be  
a competent judge. I would advise those pro-  
mising youths who will favor me with encou-  
ragement, to apply as soon as possible, so that  
they may get some benefit of their studies by  
the 15th of March.  
JOSEPH FAILLOTTE.  
N. B. Private tuition, any hour during the  
day, so as to accommodate the different schol-  
ars who may apply.
