Med. Doctor, Fellow of the Medical Society of Maryland.
BORN of French parents in the city of Bremen, I was from my earliest childhood destined to the study of Physic. After having regularly graduated in the schools there, I visited several universities to perfect myself in my intended profession, and was finally admitted as a physician by the Medical Faculty of Erlang. After which, I practised for twenty years in Bremen, and was appointed director of the Public Dispensary. Having resolved to visit America I accompanied captain Vickers to this city as a medical attendant, and purposed to proceed to Charleston—but the friendly reception I have met with here, and the flattering encouragement I have already experienced induce me to fix my abode in Baltimore—I therefore take this method of making known my intention, and of assuring my friends, that it shall be my incessant endeavor by my application and punctuality to merit the continuance of their esteem, and to obtain the confidence of the public, especially in chronic diseases, which I have more peculiarly made the object of my study. Persons desirous of advice or medical aid, will find me at No. 16, Market-street every day from 6 to 9, A. M. and from 1 to 2, P. M.
