

Gout and Rheumatic Drops.

NOTHING is of more importance than the preservation of health—this common phrase remark however is too often forgotten, whilst we are active and strong—and prevention of pain, which is superior to its cure, is not sufficiently attended to by any description of persons. Amongst those disorders which require the most early and unremitting efforts to eradicate and overcome, none have a stronger claim upon our notice than the Gout, Rheumatism, Lumbago, Weakness of the Joints, Sprains, Glets, the Stone and Gravel, the Cramp and every species of Rheumatic Pains from whatever cause they may have originated—and hence every relief which can be administered is too valuable to be forgotten.—Those persons whose vocations peculiarly expose them to colds, &c. cannot be too anxious always to possess immediate aid. Sea-faring persons, travellers, &c. ought constantly to carry with them that medicine which will counteract the unpleasant effects of their perilous duties, and especially those pains to which their situation most exposed them. To those who reside in or visit the West Indies, and other warm climates, they will be found upon trial to convey the most lasting service, and will gradually destroy all tendency to disease in the human frame, and preserve health and vigor. Although a great variety of prescriptions have been published to cure the disorders enumerated above, none has as yet equalled the GOUT and RHEUMATIC DROPS of DR. TISSOT, which are celebrated throughout the European continent, and whose unbounded benefits are fully authenticated by certificates already published of Gen. Charles Ridgely, of Hampton; John Gibson, and John Macubbin, Esqrs. of Annapolis; and Mrs. Ryan of Calton place, to which the AGENTS for Baltimore, are happy in laying before the public the following testimony of respectable gentlemen residing within this city.

Certificate of Mr. THOMAS KESLO, Butcher.
About three weeks since I was most violently attacked with Rheumatic Pains throughout my whole frame, in so severe a manner as not to be able to turn in any bed without assistance, proceeding, as I suppose, from a severe cold;—on being advised by a friend to apply Dr. Tissot's Gout and Rheumatic Drops, I accordingly obtained from the agents, Messrs. Geo. Dobbin and Murphy, two bottles, the application of which, under God, have perfectly restored me to health. I am therefore induced with confidence to recommend this medicine as a certain cure for the above disorder.

THOMAS KESLO.
Baltimore, July 22d, 1866.

Certificate of Mr. THOMAS CAMPBELL, Harness-maker.

It would be an act of injustice to withhold my testimony of the salutary effects of Doctor Tissot's Gout and Rheumatic Drops, as I have experienced a very unequivocal instance of their virtues and efficacy. I was afflicted with two severe attacks of what is usually called *Dead Palsy*, from which I partially recovered, but was obliged to use crutches to aid me in walking when I left home; to this, we were joined with Rheumatic Pains, the result of the affliction, and I had feared the disorder would accompany me through life;—but providential, ly was recommended to apply to Geo. Dobbin and Murphy's for Dr. Tissot's Drops, and after using only one bottle, found myself perfectly liberated from my disorder, and am now, thank God, as free from pain as if I never had been afflicted.—Finding this medicine operate so powerfully on myself, I determined to apply it internally to my child, a boy only eleven months old, who was then reduced almost to a skeleton with the *Bowel Complaint*; after administering it four times to him his complaint was entirely removed and he is now recovering his strength with great rapidity.

NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but to promise to do wonders in behalf of my pupils, I have no need—it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies and Gentlemen of America, during more than 46 years, I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.
