100 Dollars Reward.

RAN AWAY from the subscribers, living in Baltimore, on Sunday morning, the 6th July, a negro man named ELIJAH. He is about twenty years of age, five feet, ten or eleven inches high; slender round the waist, but is a remarkable strong, big limbed fellow. He is a light blackman; has a large flat nose, with very thick prominent lips; has his wool cut, so as to form a roll over the top of his head He is a ready-witted fellow, smart in answering questions; when spoken to in a good humor, generally laughs, and shews a handsome set of teeth; walks with a long step, and rocking motion with his body. He has taken with him a variety of cloths, among which are a pair of nankeen pantaloons; coarse linen shirts and trousers; an old castor hat, and a fustian round about jacket. We purchased him about 12 months since, of Mr. Richard Key Heath, acting as attorney of Susanna Wilson, of Kent county, to which place he has probably gone. Whoever will apprehend the above mentioned slave, and lodge him in any jail, so that we may get him again, shall receive 50 dollars, if taken in Maryland, and the above reward, if taken out of the said state, with all reasonable charges if brought home.

Venereal Complaints.

Omnibus ad quos hæc perveneriut Salutem.

AS Dr. WARNER's practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the Venereal Disease in preference to any Medicine vended or known in Baltimore. Among the numerous cases of the most delicate females in very advanced stages of pregnancy, when to all human probability their tender offspring must have been destroyed in the common mode of cure, there has never been an unfortunate termination. The advantages of medicine not in the least disagreeable to the taste or stomach, the ease to the patient without confinement or restriction in drink or diet, must be self-evident to all. As he has removed cases deemed incurable by the ablest physicians both of Europe and America—The Doctor solicits particularly the attention of those who have made ineffectual trials with others. As Dr. Warner is in the daily habit of receiving communications from other states, and sending medicine to them, he will attend to any letters, postage always being paid, as usual. Those who have injured their constitutions by imprudence may be restored by a timely application. Many infants who have been born with this evil affliction, have been most effectually restored to health by the subscriber. Masters of vessels and travellers may have their medicine so prepared, that a safe, effectual and expeditious cure will be made without any restrictions whatever. Cure is warranted in all cases.

Dr. Warner has removed to the corner of Cumberland-Row and Water-street, at the west end of the Marsh-market.

He had on when he absconded a short round fustian jacket, a pair of velveteen pantaloons, white waistcoat and black hat; however he had in his possession some other clothes and he will probably change his dress—He took with him a dark brown mixed cloth long coat and waistcoat, several pair of nankeen pantaloons. Ten dollars reward will be paid if he is taken and secured within the city or county of Baltimore; thirty dollars if without the city or county, but within the state of Maryland, and the above reward of fifty dollars if out of the state, and reasonable expences for delivering him to me at Baltimore.

NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but to promise to do wonders in behalf of my pupils, I have no need—it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies and Gentlemen of America, during more than 46 years, I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.
