Valuable Property for Sale.

THIS subscriber will dispose of that Valuable Farm and Improvements which formerly belonged to old Major Rutter, containing 327 acres, (more or less) 140 whereof are covered with very heavy Timber of various descriptions; distant from the city of Baltimore between 6 and 7 miles, and very convenient to the Falls Turnpike Road. It may be advantageously divided into two equal parts, allowing to each a just proportion of the Timber.

Also, another Tract of Land and Improvements, within about the same distance from the city, westerly, containing 352 acres, (more or less), a small portion whereof is cleared, the residue is heavily timbered as a very Land in Baltimore county. On this tract there is an excellent situation for a Saw Mill, having a fall of 20 feet; the stream which runs through it, is thought sufficient to keep the mill employed about two thirds of the year.

Also, a small tract of unimproved Land, within 4 miles of the city, containing 45 acres, (more or less), 23 whereof are covered with Timber, the residue clear. This tract has the advantage of the New Liberty Road passing through the upper and cleared part of it which renders it an eligible situation for a Public House.

Also, another small tract and improvements within 2 1/2 miles of the city, containing 24 acres, (more or less), adjoining the country seat of Mr. John Carver and Job Smith, esq. and opposite to Mr. James Bryden's; it is beautifully situated, and has the advantage of 2 never failing springs of water.

Also, a handsome 2 1/2 acre Lot, on Whetstone Point fronting on the left side of the road leading to the Fort, and extending back to the river.

Also, a very spacious Lot of Ground and Improvements, situate on the corner of Fayette and North-streets, containing on the former 65 ft., running & building on the latter 135 feet to a public alley, leading into Howard street—in fee.

Also, another spacious Lot of Ground, with all the improvements thereon erected, pleasantly situated on Duke-street, Philpot's Hill—also in fee.

Also, for Sale or Lease, a Water Lot, fronting on Harrison-street 25 feet, and extending back to the channel 80 feet, completely wharfed in.

Also, on Lease for 99 years, renewable, several Lots of Ground situate on South Paca and Lombard-streets. Also, sundry other Lots adjoining the country seat of Doctor Aitken. The whole or any part of the above described property, will be disposed of on accommodating terms, for good paper, bearing interest.

AN ADDITION OF
6000 Spelling Books,
From the 4th and last English edition.
BY LINDLEY MURRAY.

Author of English Grammar, Introduction to English Grammar, English Reader, Exercises, &c. &c.

The above work is comprehended under THREE general divisions. One of the principal objects of the FIRST PART, is, to teach an accurate pronunciation of the elementary sounds, &c.

THE SECOND PART of the work affords the learner considerable aid in pronunciation, as well as in orthography. The words of two syllables are not only classed in chapters, according to their accent, but they are arranged in sections, adapted to the sounds of vowels and diphthongs, whether short, long, middle or broad.

THE THIRD PART consists of words less familiar to children than those of the preceding parts; of rules for spelling and pronunciation; and of miscellaneous chapters, calculated to give the learner a radical knowledge, and diversified views of the subject.

The lessons for spelling, in every section, are illustrated by short appropriate reading lessons. The orthography of Johnson, and the pronunciation of Walker have been adopted in Murray's Spelling Book—and it is presumed they are authorities which few persons will be inclined to dispute.

Also just received,
2000 copies of a New Spelling Book, called THE PHILADELPHIA DILWORTH'S SPELLING BOOK, IMPROVED.

The present edition being on the same plan of a late Glasgow publication (with considerable improvements) is confidently recommended to the serious attention of teachers, parents and guardians.

Veneral Complaints.

Omnibus ad quos hec pervenerint Salutem.
AS Dr. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the Venereal Disease in preference to any Medicine vended or known in Baltimore. Among the numerous cases of the most delicate females in very advanced stages of pregnancy, when to all human probability their tender offspring must have been destroyed in the common mode of cure, there has never been an unfortunate termination. The advantages of medicine not in the least disagreeable to the taste or stomach, the ease to the patient without confinement or restriction in drink or diet, must be self-evident to all. As he has removed cases deemed incurable by the ablest physicians both of Europe and America—the Doctor solicits particularly the attention of those who have made ineffectual trials with others. As Dr. Warner is in the daily habit of receiving communications from other states, and sending medicine to them, he will attend to any letters, postage always being paid, as usual. Those who have injured their constitutions by imprudence may be restored by a timely application. Many infants who have been born with this evil affliction, have been most effectually restored to health by the subscriber. Masters of vessels and travellers may have their medicine so prepared, that a safe, effectual and expeditious cure will be made without any restrictions whatever. Cure is warranted in all cases.
Dr. Warner has removed to the corner of Cumberland-Road and Water-street, at the west end of the Marsh-market.

50 Dollars Reward.

RAN away from my service on the morning of Saturday the 16th instant, a Negro Man named EDWARD JOHNSON, but commonly called NED; it is supposed he is gone to the Eastern Shore, from whence he came, and where he had been permitted several times to go to see his friends. Edward is about 5 feet 10 inches high, straight and well made, has a good countenance, and is an active, smart fellow, about 24 years of age. He had on when he absconded a short round fustian jacket, a pair of velvet pantaloons, white waistcoat and black hat; however he had in his possession some other clothes and he will probably change his dress. He took with him a dark brown mixed cloth long coat and waistcoat, several pair of nankeen pantaloons. Ten dollars reward will be paid if he is taken and secured within the city or county of Baltimore; thirty dollars if without the city or county, but within the state of Maryland, and the above reward of fifty dollars if out of the state, and reasonable expenses for delivering him to me at Baltimore.

French Night School.

NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but to promise to do wonders in behalf of my pupils, I have no need—it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. I have impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies and Gentlemen of America, during more than 46 years, I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.
