

Veneral Complaints.

Omnia ad unum personarum Salutem.
AS DR. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the Veneral Disease in preference to any Medicine vended or known in Baltimore. Among the numerous cases of the most delicate females in very advanced stages of pregnancy, when to all human probability their tender offspring must have been destroyed in the common mode of cure, there has never been an unfortunate termination. The advantages of medicine not in the least disagreeable to the taste or stomach, the ease to the patient without confinement or restriction in drink or diet, must be self-evident to all. As he has removed cases deemed incurable by the ablest physicians both of Europe and America—The Doctor solicits particularly the attention of those who have made ineffectual trials with others. As Dr. Warner is in the daily habit of receiving communications from other states, and sending medicine to them, he will attend to any letters, postage always being paid, as usual. Those who have injured their constitutions by impudence may be restored by a timely application. Many infants who have been born with this evil affliction, have been most effectually restored to health by the subscriber. Masters of vessels and travellers may have their medicine so prepared, that a safe, effectual and expeditious cure will be made without any restrictions whatever. Cure is warranted in all cases.
Dr. Warner has removed to the corner of Cumberland-Row and Water-street, at the west end of the Marsh-market.

French Night School.

NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but to promise to do wonders in behalf of my pupils, I have no need—it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies and Gentlemen of America, during more than 46 years, I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.
JOSEPH PAILLOTTET,

This day is finished,

AN ADDITION OF 6000 Spelling Books,
From the 4th and last English edition.
BY LINDLEY MURRAY.
Author of English Grammar, Introduction to English Grammar, English Reader, Exercises, &c. &c.
The above work is comprehended under THREE general divisions. One of the principal objects of the FIRST PART, is, to teach an accurate pronunciation of the elementary sounds, &c.
The SECOND PART of the work affords the learner considerable aid in pronunciation, as well as in orthography. The words of two syllables are not only classed in chapters, according to their accent, but they are arranged in sections, adapted to the sounds of vowels and diphthongs, whether short, long, middle or broad.
The THIRD PART consists of words less familiar to children than those of the preceding parts; of rules for spelling and pronunciation; and of miscellaneous chapters, calculated to give the learner a radical knowledge, and diversified views of the subject.
The lessons for spelling, in every section, are illustrated by short appropriate reading lessons. The orthography of Johnson, and the pronunciation of Walker have been adopted in Murray's Spelling Book—and it is presumed they are authorities which few persons will be inclined to dispute.
Also just received, 2000 copies of a New Spelling Book, called THE PHILADELPHIA DILWORTH'S SPELLING BOOK, IMPROVED.
The present edition being on the same plan of a late Glasgow publication (with considerable improvements) is confidently recommended to the serious attention of teachers, parents and guardians.
On Hand, A general assortment of SCHOOL BOOKS and STATIONARY—which will be sold on accommodating terms to those who buy for retail.
All kinds of Book and Job Printing, Commercial and Law Blanks, &c. &c. executed in the neatest manner at the established prices, by
