ARTICLES OF ASSOCIATION

HAGERS-TOWN BANK.

WE, the subscribers, hereby associate and mutually agree, to form a Banking company, to be called and known by the name of **THE HAGERS-TOWN BANK**, and do hereby bind ourselves, and our legal representatives, to the observance of the following articles, viz:

Article 1. The capital stock of the said Bank shall be limited to five hundred thousand dollars, to consist of ten thousand shares of fifty dollars each, one tenth part thereof, or one thousand shares, shall be reserved for the use and benefit of the State of Maryland, to be subscribed in such manner as the legislature may direct; provided, that the State shall not draw a dividend on a greater sum than shall be paid up on such shares, and the remaining nine thousand shares to be subscribed agreeably to the allotment hereinafter mentioned, by opening subscriptions at the following places, under the direction of the following persons, viz:

At Hagers-town, for 5000 shares, by Jacob Schenckly, Matthias Shaffner, Martin Kerthner, Henry Shafer and Jacob T. Towson.

At Baltimore, for 2000 shares, by Luke Tierman, James L. Hawkins, Christian Keller, William Matthews and Clement Brooke.

At Frederick Town, for 1000 shares, by John Schley, George Baer, Jun. Lawrence Brengle, Roger B. Taney, and George Creager, Jun.

At Middle-town, in Frederick county, for 500 shares, by Joseph Swearingen, Frederick Stemple, James Neale, Thomas Marlow and Thomas Hawkins.

At Cumberland, in Allegany county, for 500 shares, by Hanlon Briscoe, James Scott, Benjamin Tomlinson, David Lynn and Thomas Beall.

Article 2. It shall be the duty of the president and directors herein appointed, to have the articles of this association printed in the newspapers at Hagers-town, the Herald and Republican Advocate, in Frederick-town; the American and Federal Gazette, in Baltimore; and in the papers of Chambersburg, in Pennsylvania, and Martinsburg, in Virginia; also, to prepare and transmit to the commissioners aforesaid, a copy of the articles of this association.

Article 3. The subscriptions shall be opened at the places before mentioned by the commissioners, for any two of them, on the first Monday in March next, and remain open for three days, from 10 o'clock, each day, unless the allotted number of shares be sooner subscribed; and if there shall be subscribed, on the first day of opening the subscriptions, at any of the aforesaid places, a greater number of shares than are allotted, the commissioners shall, in the first instance, reduce the highest subscriptions, but if such reduction shall not bring the subscriptions down to the number allotted, then they shall, by lot, determine whose subscriptions shall prevail, or to whom the shares shall belong; and it shall be the duty of the commissioners to return, to the president and directors, a list of the subscriptions by them taken, certified under their hands, together with all monies by them received on such subscriptions.

Article 4. Every subscriber shall pay to the commissioners, at the time of subscribing, the sum of five dollars, on each share, he or she may subscribe, and the further sum of five dollars, on each share, on the first Monday in May next; and the remaining forty dollars in eight equal installments, of five dollars each installment, on each share subscribed, to be paid at the said bank, as the board of directors may call for the same, giving two months notice in the newspapers aforesaid of such calls, but which shall not be called for, without the concurrence of two-thirds of the whole of the directors, and no such call, at any one time, shall exceed five dollars on each share subscribed.

Article 5. If any stockholder shall fail to pay up his, her or their installments, of five dollars on each share, on the first Monday in May next, such stockholder shall forfeit, to the use of the company, all monies paid antecedently to such failure or default; but no such forfeiture shall take place, after ten dollars on each share shall have been paid up; and as it is requisite that means shall be taken to secure the regular payment of after calls, therefore, if any stockholder shall fail to make regular payment of any installment or call after ten dollars on each share shall have been paid, such stockholder's money in bank shall remain free from interest, and not entitled to dividend until such installment or call shall be made good, and the dividend thereafter to be paid to such stockholder, (as well upon the money regularly paid, as upon that paid after default) shall be calculated only from the time when said installment shall be made good.

Article 6. No subscriber or stockholder, or member of the said company, shall be answerable in his person or individual property for any contract or engagement of the said company, or for any losses, deficiencies or failures of the capital stock of the said company, but the whole of the said capital stock, together with all property, rights and credits, belonging to the said institution, and nothing more, shall at all times be answerable for the demands against the said company.

Article 7. The affairs of the bank shall be managed by ten directors, and a president, seven of whom, and the president, shall reside in Washington county; one in Baltimore county, one in Frederick county, and one in Allegany county; these directors shall be chosen by the stockholders in person or by proxy, in Hagers-town, on the first Monday in May, 1806, and on the first Monday in May in every year thereafter; and when the State acquires the right of choosing a director, the stockholders shall choose one director less in Washington county; and until the election for directors, as aforesaid, in order that this institution may go into operation as soon as conveniently may be, the affairs of the bank shall be conducted by Nathaniel Hochstetler, as President, and Elie Williams, Thomas Sprigg, William Fitzhugh, Charles Carroll, Jacob Zeller, Samuel Hughes, Junr., William Heyler, Samuel Clagett, (Baltimore), John McPherson, (Frederick-Town), and William McMahon, (Allegany), as directors, who shall have the power to appoint a cashier, and such other officers as they shall deem necessary, and shall act in all other things relative to this institution, as fully as the president and directors, hereafter to be appointed by the stockholders,

shall be authorized to do, except that the compensation to be allowed to the president of the bank shall be fixed and determined by the first directors to be chosen by the stockholders.

Article 8. In choosing directors, the stockholders shall be entitled to vote as follows:— For one share, and not exceeding two, one vote each; for every two shares above two, and not exceeding ten, one vote; for every four shares above ten, and not exceeding thirty, one vote; for every six shares above thirty, and not exceeding sixty, one vote; for every eight shares above sixty, and not exceeding one hundred, one vote; and for every ten shares above one hundred, one vote; but no person or body politic shall be entitled to a greater number than thirty votes, and all votes at elections for directors shall be by ballot, delivered in person or by proxy.

Article 9. No person shall be admitted to take his seat as director, unless he shall be at the time a stockholder, and if he shall at any time cease to be a stockholder, he shall cease to be a director.

Article 10. If the president shall be chosen hereafter out of the number of directors, his place shall be supplied by the directors from among the stockholders; if a vacancy shall at any time happen among the directors, by death, resignation or otherwise, the directors shall elect another to fill the vacancy for the remainder of the year, from among the stockholders, and in case of sickness, or necessary absence, of the president, he shall in writing, appoint one of the board of directors to act as president pro tempore.

Article 11. The board of directors shall have power to appoint a president and other officers and servants, for conducting the business of the company, and shall fix the compensation to be allowed them, which expenses shall be defrayed out of the funds of the company.

The board of directors shall also have power to purchase, lease or rent a proper building, in Hagers-Town, for the bank, at the expense of the company; they shall likewise have power to make, revise, alter or amend, rules, orders, by-laws and regulations for the government of the company, and that of their officers, servants, and affairs, as a majority of them shall deem expedient, provided they are not contrary to law, or the constitution.

Article 12. The company shall in no case be concerned in any article but notes, bills of exchange, mortgages, stock of the United States, or bullion, and incurring against losses by fire, except in the case of debts due to the bank, then they shall be fully justifiable in taking any kind of security they can obtain.

Article 13. Ordinary discounts may be made by the president and any three directors, but the president and five directors shall be necessary for the purpose of transacting the general business of the company.

Article 14. Stock in the Hagers-Town bank may be transferred by the holder, in person, or by power of attorney, at the said bank, but all debts actually due to the company by a stockholder offering to transfer, must be discharged before such transfer shall be made.

Article 15. Dividends of the profits of the company shall be made at the end of the first year, and half yearly thereafter, and at the end of every three years a dividend of surplus profit shall be made.

Article 16. The books, papers, correspondence, funds, and every transaction of the company, shall at all times be freely open to the inspection of the directors.

Article 17. A majority of the directors may, at any time, call a general meeting of the stockholders for objects relative to the interests of the company, they giving six weeks notice in the public prints, and expressing in such notice, the points or subjects to be deliberated upon at such meeting.

Article 18. In case the whole of the shares (except those referred for the State) shall not be subscribed, on the days for taking subscriptions as aforesaid, the board of directors may open the subscriptions again, at such time and place, or places, as they or a majority of them may think proper. Sixty giving six weeks notice of the same in the public prints.

Article 19. Whenever the State shall become a stockholder to the amount of twenty thousand dollars, of the shares reserved, and shall have paid up that sum to the bank, he shall be entitled to appoint one director.

Article 20. Before the president and directors shall act as such, they shall take an oath, or affirmation, "that they will faithfully, diligently and honestly perform the duties of their station;" and the other officers of the bank, shall take a similar oath of affirmation, and shall give bond with security, to the satisfaction of the board of directors, for the faithful discharge of their duties in their several stations.

Article 21. All notes offered for discount in the said bank, by any person or persons, shall, on the face thereof, be made negotiable at the Hagers town Bank, and when the drawer shall not reside in Hagers-town, such note shall be made payable at the house of some person in Hagers-town, and notice given by the proper servant of the bank at such house, that such note hath become due, shall be, to all intents and purposes, held and considered to be as completely binding on the drawer and endorsers, as if notice had been personally served on each of them.

Article 22. And as the agricultural, manufacturing and commercial interests of Washington and the adjoining counties, will be greatly benefited by this institution, it is believed and expected, that the legislature will (as they have heretofore done in similar cases,) grant a charter for incorporating the said company, and confirming, making legal and binding the several articles and regulations before mentioned, with such other provisions, as to the legislature may seem proper, provided they shall not be inconsistent with the articles of this agreement. The board of directors are hereby directed to present a petition to the legislature for this purpose, with a draught of an act of incorporation, agreeably to the principles herein laid down; they are hereby directed also, to petition for, and endeavor to obtain in their charter or act of incorporation, a power for the said company to insure against fires by fire.

Given under our hands, this day of _____ 1807.

N. E. It is believed, that not more than ten or fifteen dollars a share will be wanted to constitute a sufficient capital for the first year; and if the shares are all subscribed, it is presumed that not more than twenty or twenty five dollars a share will ever be wanted or called for.

This day is finished, AN ADDITION OF 6000 Spelling Books,

From the 4th and last English edition. BY LINDLEY MURRAY. Author of English Grammar, Introduction to English Grammar, English Reader, Exercises, &c. &c. The above work is comprehended under THREE general divisions. One of the principal objects of the FIRST PART, is, to teach an accurate pronunciation of the elementary sounds, &c. The SECOND PART of the work affords the learner considerable aid in pronunciation, as well as in orthography. The words of two syllables are not only classed in chapters, according to their accent, but they are arranged in sections, adapted to the sounds of vowels and diphthongs, whether short, long, middle or broad. The THIRD PART consists of words less familiar to children than those of the preceding parts; of rules for spelling and pronunciation; and of miscellaneous chapters, calculated to give the learner a radical knowledge, and diversified views of the subject. The lessons for spelling, in every section, are illustrated by short appropriate reading lessons. The orthography of Johnson, and the pronunciation of Walker have been adopted in Murray's Spelling Book—and it is presumed they are authorities which few persons will be inclined to dispute.
