Hager's-Town Bank,

JULY 23d, 1867.

100 Dollars Reward.

On the 7th inst. (the day on which they were printed) there was stolen from the printing room of the Hager's-Town Bank, four half sheets containing 4 notes, viz. one of 100 dollars, one of 10 dollars, one of 5 dollars, and one one cent note, all blank; and as none struck from the same plate have been issued by the bank, except eight 100 dollar notes, from No. 1 to No. 8, inclusive, or will be issued until the stolen notes are recovered, the counterfeits may readily be detected. The 10 dollar and 5 dollar notes are No. C; all of the same denomination which have been issued, are No. A. and B. of course no 10 dollar or 5 dollar notes No. C. are in circulation, but counterfeits, or any of 100 dollars, except eight. The stolen notes are badly executed, being printed by a person who did not understand the business; they have a nutty appearance, and two of the 10 dollar notes, which I have seen and which were detected in Baltimore, are very badly filled up and signed.
The above reward will be given for apprehending and prosecuting to conviction, the person who has or may forge the filling up and signatures of any of the said stolen notes, or who has or may pass any of them with a knowledge of the forgery.
