A Horse Stolen.

THE subscriber on the 11th day of June last, swapped a Horse, with a certain person who called himself JAMES WILSON, who appeared to be about 30 years of age, slender made, with only one arm, dressed in a blue coat and nankeen pantaloons. His anxiety to get rid of the Horse, induced me to suspect he was stolen, which I mentioned to him, and in consequence of which he absconded, and has never since returned; but left me in possession of both horses; I do therefore give this public notice, for the benefit of the owner, and request that he may come, prove his horse, pay the charges and take him away. The horse is a bay, about 16 hands high, with a small blemish in one eye, and a few white hairs in his forehead; trots, gallops, and appears to be about 8 years old.

The different editors throughout the continent are requested to insert the above a few times in their papers.

In Chancery, Aug. 20, 1807.

John Knight and John Rawlings,
against
John Jeremiah, William, Parrott, Thomas, Immon, Azor and Abijah Knight, John Reynolds, and Hannah his wife, and Elizabeth Brown.

The object of the bill is to obtain an injunction on a judgment in ejectment obtained by William Knight, deceased, the father of the defendants, against John Knight, the complainant, for two tracts of land in Cecil county, called "Knight's Fields" and Tanners Lot, and for the sale of the said Land, for the payment of certain legacies, given by the last will and testament of William Knight, in the bill mentioned. The bill states, that William Knight the testator, owned the said Land, that he devised it subject to the payment of certain legacies, that at his death the same had not been patented, and that William, his son, by deception and fraud obtained a grant in his name.—That a bill was filed by the complainants and Mary Rawlings, the wife of John, against Wm. Knight, the patentee; that pending the same, he and the said Mary died—that the defendants are the heirs of William, the patentee; and that they have issued process to revive the judgment; that John one of the defendants resides out of the state. It is thereupon on the motion of the complainants ordered, that they cause a copy of this order to be inserted in the American three Tuesdays or three Fridays, before the 16th day of September next to the end that he said John Knight may have notice of this application, and of the subject and object of the bill, and may be warned to appear in court, in person, or by a solicitor, on or before the 16th day of January, 1808, to shew cause if any he has, wherefore a decree should not pass as prayed.

Land for Sale.

THE subscriber intending to remove to the Louisiana country, is disposed to sell his Plantation, eight miles from the city of Baltimore, adjoining the lands of Cornelius Howard, Esq. and Dr. John Cromwell—and within half a mile of major George Beam's tavern, on the Reister's-town turnpike road.

The land offered for sale is about 210 acres—15 acres are now in meadow, and 30 more can easily be made nearly one fourth of the whole tract is covered with young thriving timber, the residue of arable land, superior to almost any in the neighbourhood, well adapted to the use of plaster, and divided into convenient and well watered fields by good fences.

The improvements are, a good dwelling house, kitchen and out-houses, with a palled in garden and yard; also, an apple and peach orchard of choice fruit. It is presumed no person will purchase without first viewing the premises; therefore, it is only necessary to remind the public, that its contiguity to the city, on a fine turnpike road, and in a most excellent neighbourhood, renders such a situation rare to be met with, particularly within that distance of Baltimore.

Few men in Maryland can boast of having a more healthy retreat. Those inclined to view the premises, may apply to Mr. Thomas Darlington residing thereon, and for terms of sale, to Dr. Thomas Johnson, Baltimore county, or to the subscriber.

JNO. JOHNSON.
N. B. The above described land will either be sold together, or divided into lots, as may be thought proper, there being several springs of good water, and handsome residences.
