ALMANACKS for the Year of our Lord 1747; to be Sold by the Printer herof.

WHEREAS Robert Sutchiffe, upon his arrival in Maryland, published in the Gazette, an Advertisement, desiring those Persons who were indebted to him to come and pay off their respective Ballances, by which means he hop'd to be soon able to pay off what might be due from him to others, he having more than four times as much due to him in this Province, as he owes; but instead of any Persons coming to him to pay him any Money, it has been most falsely insinuated (as he has reason to believe, by some Persons who are largely indebted to him, and others that have wrongfully prosecuted Suits against him before his arrival, and have since been apprehensive that their unjust Practices may be discover'd) that the said Robert Sutchiffe intended to receive what he could that was due to him, and carry it out of the Province in defraud of his Creditors: By this, and other Artifices, he supposes they intended to make his Creditors more uneasy, and pressing upon him, and thereby so much embarrass him, that he could not proceed in the Settlement of his Affairs, and that the injustice of the Suits brought against him might not be expos'd: Therefore to remove as far as it is possible for him to do in the present circumstances, all manner of Suspicion that may have been rais'd by any such indirect Means, in the minds of his just Creditors, and to prevent their being impos'd on to Discount their Demands at an under-value, He hereby Declares and Publishes, that his Intentions in coming into this Province, was, Honestly and Fairly to settle all his Affairs here (in which he was likely to suffer) not only by the misfortunes incident to Trade, but by particular abuses he has received) and pay every Farthing justly due from him: And he further also declares, that all probable Deductions being made for Insolvents, &c. he has more than sufficient to do it;— And that after a considerable time of stay here, without being able to effect his just Intentions, and being obliged to prosecute other Affairs, he has sold all his Bunnets here, into the Hands of *Philip Thomas, Esq;* and Son, who will, to the satisfaction of the Creditors as chuse to take their Pay in that manner, give them Assignments of such of the Debts as may Ballance their just Claims against him, as soon as they have Settled and adjust'd the Accounts of those that are indebted to the said Robert Sutchiffe, which Time shall be known, by a Publication in the *Maryland Gazette*; and in the meantime, if the Creditors will give themselves the trouble to call on the said *Messieurs Thomas*, they shall be further satisfied as to their Affairs.

And whereas several Actions have been brought against the said Robert Sutchiffe, and *W. M. Bowen*, in several of the Courts of this Province, some of them by Persons who are really indebted, others by Persons to whom nothing was due, and the rest in few excepted for a great deal more than was due, and great Sums, of the proper Money of the said Robert Sutchiffe (the said *W. M. Bowen* having never been worth a Great since

the said Robert Sutchiffe's knowledge of him) have been started and Condemn'd; which proceedings are not only manifestly unjust, but also (as the said Robert Sutchiffe is advised) unreasonably and incongruous: These are therefore to acquaint the Persons concerned, that if they will come to a fair Account, and pay back what they have received, more than their Dues, without further Trouble or Expence, they will save themselves the Charge of endeavouring to Support unjust and erroneous Judgments, which they may depend the said Robert Sutchiffe will not submit to, and the God what it will of being reliev'd from them.

ROBERT SUTCLIFFE.

THE above named Robert Sutchiffe, having put the Management of his Affairs here, into my Hands, and as I do hereby Declare, that upon the Inspection of the Accounts of Mr. Sutchiffe, I have Reason to believe that what he Declares in the above Advertisement, as to the State of his Affairs is true; and that we will use our endeavours in settling the Accounts to do Justice to all his Creditors as far as our Powers.
