Preamble.

§. 9 and 10,
hereby alter-
ed.

FORASMUCH as it is evident to this present General Assembly, That the Charges of late arising to the Public, and several of the Counties within this Province, on the Prosecution of Servants, have been a very great Burthen to the Public. And whereas it is manifest that several Felonies, and other Offences, have been frequently committed by Servants, which might have been prevented by their Masters, by taking Care to keep them in due Order and Subjection, and sometimes Servants have been induced by the Encouragement, and sometimes by the Severity of their Masters, to commit Felonies and other Crimes, the Masters well knowing that in case of Prosecution, the ^a Expence thereof must have been borne by the Public, or the Inhabitants of the County or Counties where the Facts have been committed: For Remedy of which Evils,

Fees due on
Prosecution
of imported

his Lordship's
Suit, shall be
