

by me, and the amount ascertained was, as it is stated in the memorial, £874 7s 11d.

Mr. Deye, I conceive, was entitled to a certificate of three per cent. stock for the amount stated, and for interest ever since, which I understand has been regularly received by the state of Maryland, of the United States.

Respectfully,

G. Duvall.

The Hon. Judge Nisbet.

On the 20th day of January 1826, Gabriel Duvall appeared before me, District Judge of the United States for the district of Maryland, and made oath on the Holy Evangelical of Almighty God, that the foregoing narrative of facts is truly stated, to the best of his knowledge.

Elias Glenn.

In order to prove the accuracy of the statement of the amount due, the petitioner exhibited to the committee, certified copies of two receipts for final settlement certificates given by the trustees appointed under the act of 1787, to Thomas C. Deye, on which is written a demand of the surplus interest made by Mr. Deye at the time of payment, and also the following certificate, in the hand writing of the Hon. Gabriel Duvall.

Baltimore, 20th January, 1826.

The two foregoing lists, and one more, were before me, when I made the calculations stated in the memorial of Mr. Deye, and found the sum due him to be £874 7s 11d.

G. Duvall.

The house then adjourned until Monday next nine o'clock.

MONDAY, February 19, 1827.

The house met. Were present, the same members as on Saturday. The proceedings of Saturday were read.

On motion by Mr. Norris, the decision of the house on Saturday last, which passed the bill, reported by him, entitled, An act to provide for the payment of jurors in Harford county, was reconsidered for the purpose of amendment; and the fifth section of the same was amended, by inserting the words, "including the mileage now allowed by law," after the word "attendance," in the third line of that section. The said bill was then passed as amended.

Petitions and memorials, of the following titles, were this day presented, viz.

By Mr. Saulsbury, the petition of Peter Musclemann, of Caroline county, praying pecuniary relief, by the passage of an act, authorising the levy court of said county to assess such sum of money on the assessable property of said county, as may be necessary for his support; referred to the committee on that subject. And,
