M^r Geo. Falbot moved to the board that pursuant to
his Lordship's instructions he kept a Guard of four men for the space
of six months at Otine Bridge who had made several attempts for the
Inhabitants of Pennsylvania that he did just at his departure did
verbally order him the said M^r Geo. Falbot to continue them there for
six months time longer unless he himself should see occasion to the contrary
he therefore for his better security craves the opinion of this board
whether he shall continue this Guard there, and if they so think fit that
they would pass an Order for the Burgesses which upon it was considered

Ordered by this board that the four men appointed
to keep Guard at Otine Bridge shall ~~be~~ or the same number be there
continued in pay as hitherto for the space of six months longer unless his
Lordship shall in the mean time signify his pleasure to the contrary
