

1704 -

... did, as Gov. Subscribes ...
take the Oath appointed by Act of Parliament
in matters of Allegiance and Supremacy
of Government. Administering the Right Oath
And further acquainted the said persons that
there was another Oath which had already
taken at Westminster & is prescribed by a certain
Act of Parliament of her Majesty Kingdome of England
for enlarging the Oath for taking of Oath of
Aljuration for Security of her Majesty Person and
Succession of the Crowne in the protestant line &
extinguishing the hope of a pretended Prince of
Wales and all other pretenders to be taken by all
persons in publick Offices, and that he is ready &
willing to take the same againe here - But upon
Enquiry for the said Act of Parliament his Excy
was acquainted that the said Act of Parliament
any publick or private Copy thereof according to
the best Information had as yet been transmitted
into this Province - A Gentleman present
saying that he was credibly informed the said
Act of Parliament was to be had at Philadelphia in
Pennsylvania Ordered that an Express be immediatly
sent therefore -

And severall Gent^l Members of her Majesty
Council now present being againe nominated
in her Majesty Royall Commission to be the
