

commissioners, in carrying the object of their appointment into effect, no having received any official report from them, but they are verbally informed by two of the commissioners now in this city, that their report will be readily made the Legislature, according to the direction of the Law.

No correspondence has been had by the Executive of this State with the Executive of the State of Virginia since the communication from the Department is prepared to accept what relates to the appointments of commissioners, at the place of the respective States, the time and place of their meeting &c

We have the honor to be with the highest consideration yours
Ch. Sev.
James Stevens.

Emile Chamberlain Jan 21 1825

Dear Sir

I find in the Department sundry commissions made on your application in the 3d Regiment of the Militia under your command which are to be without intelligence returned for the old officers viz whether they had read resigned more or less &c I shall take pleasure in forwarding the commissions so soon as I may be authorized to do so by information from you.

Yours
Nathan Baynard
Secretary

I have the honor to be with great respect yours

Military Commissions

Emile Chamberlain Jan 24 1825

Dear Sir

I found the papers which you mentioned to me this evening and submitted your application to the General and Council.

They have instructed me to inform you that no Act of theirs having been predicated upon those papers they think it advisable not to permit them to be made public

Yours
James Peace Esq
Promtly

Very respectfully yours
Ch. Sev.
