

that the works are in most active operation upon the 1st, 2d, and 3d, residencies—comprehending that portion of the line between Seneca and Georgetown, and which it is the object of the Board to render fit for navigation by the 10th of June next.

As the return of the President is daily expected, I shall leave to him the communication of other particulars.

With very great respect,

Your very ob't. serv't.

JOHN P. INGLE, Cl'k.

Chesapeake and Ohio Canal Company.

Thomas Culbreth, Esq. Cl'k.

Of the Council, &c.
