

penses of opening the said roads, so far as they are laid on the road of the company—should you determine to give your assent under the law it will be necessary that it should be forwarded in due form to the court of Harford county by the first day of the session of the court, otherwise the several petitions will be dismissed.

I am, respectfully,

STEVENSON ARCHER,
Attorney for petitioners.

February 28, 1822.

Whereupon the managers passed the following resolution:
