

2. State, as nearly as may be, the names of the persons so transported: the place, (with as much minuteness as practicable,) where each of such persons last resided, prior to his or her transportation; and in what year each of said persons was transported.

3. Give the number of persons transported in each year since the organization of the society.

4. Give the number and grade of the officers of the society, and their respective salaries or other compensation.

5. What is the entire amount of money received from this State by the society?—how much has been received from each county?—and how much has been received in each year since the passage of the act of 1831?

6. What number of persons of color have been transported from each county in the State?

7. In what manner has the amount of money received by the society from the State, been disbursed?

It would be desirable to hear from you at the earliest possible date.

Very respectfully,

Your obedient servant,

E. HAMMOND,

*Chairman of Com. on Colored Population.*
