

the appointment of assessors who have proceeded to make the assessment accordingly, and have made their returns to the Board on the 13th September last, and the amount as appears by the return, after the corrections, is for the first district \$18,500, and for the second district \$12,200—making for the county \$30,700, the aggregates on which the Commissioners have not made any special levy for the present year.

Respectfully, your obedient servant,  
SAM. WORTHINGTON, *Clerk.*

COMMISSIONERS OFFICE,  
*Carroll County, Md. November 9, 1842.*

JOHN C. LE GRAND, Esq.

*Sir,*—In reply to your note of the first instant, I inform you that the assessors appointed under the act of Assembly passed December session, 1841, chapter 325, refused to serve, consequently no assessment has been made in this county under the aforesaid act.

Respectfully yours,  
BASIL ROOT,  
*Clerk to Commssioners.*

UPPER MARLBRO', (*P. G. Co.*) *November 18, 1842.*

J. C. LE GRAND, Esq.

*Secretary of State of Md.*

*Sir,*—I am directed by the Justices of the Levy Court of Prince Georges County, to reply to your queries in regard to the income tax law. The court did appoint assessors under the said law, but those appointed refused to serve, and the court again appointed others, who refused to act. Being unable to get suitable persons to act as such the law has not been carried out, but has become a dead letter.

All of which is most respectfully submitted,  
JAMES B. BELT,  
*Clerk Levy Court of P. G. Co.*
