

empowered to contract on the best terms for the performance of the said work, and charge, levy, assess and collect the cost and expense of the work equally per foot in front of each lot.

1812.

3. AND BE IT ENACTED, That where any street, lane or alley is to be levelled or paved across any other street, lane or alley, the cost and expense that may be incurred by levelling or paving any such street lane or alley, shall be levied, assessed & collected for that work, equally per foot, to the middle of each square of the paved street lane or alley, as also to the middle of the squares of any street lane or alley not paved.

Streets &c. crossing others—how to be paved &c.

4. AND BE IT ENACTED, That where holes or breaches shall break into any pavement, the same shall be repaired by the owners of property opposite to such hole or breach to the middle of each street lane or alley, and if the same is not done after notification thereof within such time as the commissioners may require, the commissioners shall have it done and charge and collect the expense thereof to the owners of property as aforesaid for such repairs, and all other incidental expenses.

Holes and breaches—how to be repaired.

5. AND BE IT ENACTED, That where any person or persons do or shall throw out or deposit any rubbish or filth on any street lane or alley, and suffer the same to remain to the annoyance of the neighbours, or shall dig holes in any street lane or alley without permission from the commissioners, any person or persons thus offending, being convicted thereof, shall forfeit and pay a fine of ten dollars for every such offence if the commissioners think proper; and also if any person or persons shall throw out and deposit any carrion in any street lane or alley, being convicted thereof shall forfeit and pay a fine of twenty dollars for every such offence; which fines and forfeitures shall be recoverable by the commissioners, before any justice of the peace.

Rubish, and filth, &c.

6. AND BE IT ENACTED, That when any person or persons will suffer their lots of ground, or the street, lane or alley in front of the lots of ground to lie low, where water will gather and become stagnant, such person or persons being first notified on complaint of any one of the residents in its vicinity, and the same shall not be filled up within such time as the commissioners may direct, the commissioners shall then contract on the best terms for filling up the same, and charge, levy and collect the expense thereof from the person or persons holding

Streets and adjacent lots shall be filled up.
