

on my part to be free plain and very kind with you and the same
I hope to derive from you for by that way of proceeding only can
the Service reap that advantage and all of us that Satisfaction
which can be desired from this present meeting

It is with some difficulty that I must now acquaint you of my
Resolutions of going speedily for England where the great Exigency
of my Affairs not my own Inclinations nor Love for that place doth
substantially to procure my Interest and to settle my Child in
an undoubted right of the Title that causeth me to resolve upon
this voyage

Having given you this assurance I hope you will believe my
Stay there will be no longer then the Procuring a decision of those
matters you all know have been the subject of some differences between
Mr Penn and me those once happily ended I shall soon return to
this place where it is my intent as also my Inclination and delight
to be

Gentlemen

I have much Business private as well as pub-
lick to settle upon I go for all which I can hardly afford myself
a full Month or fortnight I am very willing to spend with both
my Houses of Assembly that I may see you I may see those things
which are your Satisfaction which may conduce to the good Welfare &
Security of the Inhabitants whom you here represent of this I am so
extremely desirous that nothing shall be wanting on my part to
advance it

Adieu in frankness

Wm Penn as before said till the morrow in a Clock

April 5 1684
