

Behalf shall be objected against him and for so doing &c^d
To the Sheriff of St. Marys

John Senyer

Acts of Assembly 12th Oct
At St. Johns in the morning

First was read that part of the Commission which concerns the holding of Assemblies

Then was read his Lordships Proxy to the Gov^r for giving his assent

Then was read that part of the act of last Assembly which Ordained the house of Assembly

Then the house being called all the Gentlemen summoned by special writt and all the Burgesses that were returned from the several hundreds appeared except Mr Fulk Brent whose absence was excused by the Governor

Then were read certain Orders made the last Assembly and respitid till next day

Then was it ordered by the house that the Clerk of the Assembly should have 5^s of day and for every private draught 12^d

And that the Serjeant of the Assembly should have fee 12^s of day and for serving of any warrant the usual fee

Then was propounded some Bill to be drawn for starting the planting of Tobacos but rejected
