the following address to his Majesty signed by J. Ramsay Esq: of this house viz:

To the Kings most Excellent Majesty: by the humble address of the Kings
Governour and Councils of Scotland
We your Majesty's Dutiful & Loyal Subjects of the Province of
Maryland the great Governour and your Honourable House of
Bishops desired under the right Honble Charles Lord Baron
of Salemore the Lord Proprietor of this Province humbly beg
leave to congratulate your Majesty upon your Honors said
happy success against all the Obstacles and declared Pre-
judices of your Majesty's ancient House who by their restless
wicked practices have enriched themselves with the substance
of our happy & established Constitution by Obnoxious Taxation
your Majesty's Subjects and by engaging in a second barbarous
and treacherable design of involving your Majesty's Subjects
by the assistance of foreign Subjects in an intricate
Bloody and Distinctive war proceeding in the Kingdom of
Discovery of those treacherable practices committed and designed
by a publick Minister of Sweden - in the very pretences
of your Majesty's Garrison -
