By the Upper House of Assembly, October the 15. 1720

Gentlemen, you have herewith sundry instructions and their Lordships speech that was layd before you the last Assembly, which his Honour the Governor in pursuance of their Lordships Commands Communicated to us and has likewise required the same to be layd before you - Signed J. Order - John Beale Clk. Upper House.

Orders and Instructions to be Observed by John Hart Esq. our Gov. Governour &c. for the Province of Maryland and in his absence by the first persons of our Council for the time being - Given by us at London this 30. day of December Anno Domini 1719 - We herewith send you a Copy of a Letter directed to my Lord Guilford from the Lords Commissioners of Trade and plantations relating to the boundaries of Maryland and likewise a copy of these Letters concerning the manufacturing of Pitch and Tarr, together with a printed Copy of the Act of Parliament and a copy of a Certificate to be given by the Officers of the Customs and also a copy of a Anano of the Method practiced in Muscovy for making Tar, and rules for making Stumps, mentioned in the said Letter and we do hereby direct and require that you the said John Hart, and in your absence the person first named in our Council (for the time being) do take such Order and give such direction to the proper Officers or persons most Capable to perform the same that the parts inclosed desired in the said Letter relating to the boundaries may in the best manner possible answer His Majesties service and the benefit of
