Mr. Beckett moved to amend said fifth section, by striking out the word "three," in the 8th line of that section, printed bill, and inserting, in lieu thereof, the word "two."

Mr. Nicholas having called for a division of the question, on this motion it was accordingly put on striking out only, and resolved in the affirmative.

Mr. Jenifer then moved to insert "four." Determined in the negative.

The question was then taken on Mr. Beckett's proposition to insert "two,"

And resolved in the affirmative.
