

On motion by Mr. Ely, the house was called and the absent members sent for.

The door-keeper having returned, reported, that in obedience to order, he had notified the absent members that their attendance in the house was required.

The question was then put, Will the house consider the report? Resolved in the affirmative.

Mr. M·Elfresh moved to amend that part of the report proposing an early adjournment of the legislature, by striking out "fifth," and inserting "twelfth."

A division of the question was called for, and taken on striking out? Determined in the negative.

The yeas and nays being required appeared as follows:
