

Better, I suppose of the same  
his company of when they are  
fencing of line, acquainting the  
shops they will receive marching

It has not been in my  
purchase Simon of Bleakto if we are in hope  
can we would not have given you this then the  
condition must be made up of, a Capt. Harp  
not get up in time - if Mr. Sharp will take  
Wagonable Piece of Day, his wagon may carry  
Baggage to Chester; when the troops arrive at  
the place. The Congress are to take care of them -  
you have expended the money, please to make an  
account of them to me.
