

us with an Account of the Accoutrements of <sup>the</sup> same.  
Previous agreeable to our requests in the letters you have  
to, that we may debit the Continent with the whole and  
it for what may be returned. — We may have greater  
Bull have to take the Tifos out of Captain Bracco's  
Company, but we do not recollect it, — and we hope he will  
settle the Affairs to your, and W. Bracco's satisfaction, your  
sending of your Books and Papers to Philadelphia was a  
prudent Precaution, — Thomas's Company was paid for furnishing  
their own Fleaths, and the extra's should be deducted out of  
their Pay. — we think it right, that you should draw and  
retain in your hands the Money you mention due to this State,  
and wish that our men could be indulged with receiving the  
proceeds that may be due to them, from the Continent. They  
deserve every countenance and assistance that can be afforded  
them. —

Inclosed you have two Commissions, one  
for Bonds the other for Garrison, the dates you will be pleased  
to fill up. — When your list of the other vacancies come to  
hand, as due regard and attention shall be paid to your recom-  
mendation, and should Mr. John Mitchell be among the number,  
it would afford us Pleasure, he being warmly recommended  
to our Board. Weisenthal & Wallace had considerable Stock  
of Medicine belonging to this State — at present we are almost  
without it. — We are very sensible of the truth of your observa-  
tions concerning the frequent Removals of Camp — we know the  
men must suffer greatly — you must desire great compo-
