VIRGINIA and *MARY-LAND*,
 With the Commodities therein, &c.

In *primis*, the *Capes* are in the Latitude of 37 Longitude of 302. from whence a Large Bay called *Chesebeack Bay* flowes about seaven Leagues broad N. by E. betwixt three and four degrees in length; then it branches it self into many small Rivers: the depth of the Bay is seaven, ten, twelve, or fourteen Fatham; it hath several small Islands in it. Out of which Bay on the East side, these are the principal Rivers, *Anamesax*, *Ockahanock*, *Nautecoche*, little *Choptauke*, great *Choptauke*,
