

If therefore, your Honourable House should agree to this Proposal, it would be acceptable, that as early Notice of it as possible, might be transmitted to the Speaker of the House of Representatives of this Province.

SAMUEL WHITE, Speaker.

In Consequence of the foregoing circular Letter, the following Gentlemen met at *New-York*, in the Province of *New-York*, on Monday the Seventh Day of *October* 1765, *viz.*

From the Province of the *Massachusetts-Bay*,

JAMES OTIS,  
OLIVER PATRIDGE, } Esquires.  
TIMOTHY RUGGLES, }

Who produced their Appointment as follows, *viz.*

To James Otis, Oliver Patridge, and Timothy Ruggles, *Esquires.*

#### GENTLEMEN,

THE House of Representatives of this Province, have appointed you a Committee, to meet at *New-York*, on the first Tuesday of *October* next, such Committees as the other Houses of Representatives, or Burgesses, in the several Colonies on this Continent may think fit to appoint, to consult together, on the present Circumstances of the Colonies, and the Difficulties to which they are, and must be reduced, by the Operation of the late Acts of Parliament. By this Choice, the House has reposed in you a Trust of singular Importance, and has just Reason to expect you will give your utmost Attention to it. In case you should receive Advice that the Houses of Representatives or Burgesses of the other Colonies, or any of them, agree to send Committees to join you in this Interesting Affair, you are directed to repair to *New-York*, at the Time appointed, and endeavour to unite with them in Sentiment, and agree upon such Representations as may tend to preserve our Rights and Privileges; and it is the Opinion of this House, that no Address or Representation, shall be esteemed the Act of this House, unless it is agreed to, and signed by the major Part of their Committee.

If it should be said that we are in any Manner represented in Parliament, you must by no Means concede to it, as it is an Opinion, which this House cannot see the least Reason to adopt; further, the House think that such a Representation of the Colonies, as *British* Subjects are entitled to, and enjoy, would be attended with the greatest Difficulty, if it is not absolutely impracticable, and therefore you are not to urge or consent to any Proposal for a Representation, if such be made in the Congress.

It is the Expectation of the House, that a most loyal and dutiful Address to his Majesty and his Parliament will be prepared by the Congress, praying as well for the Removal of the Grievances the Colonies labour under at present, as for the preventing Others for the future, which Petitions, if drawn
