. A severe shock of earthquake was felt vast body of March snow will fertilize by residents of Kaowaisa and Kell during all the land for the spring crops, while it the night of the eruption, which must will afford to the lumbermen on the numhave preceded the outbreak. It was berless streams of the Northwestern quite severe, but no damage is reported. States the essential facilities of driving

-Among the Republican Senators in the Forty-fifth Congress who are pretty certain to leave vacant chairs for Democratic successors in 1879 are Spencer of Alabama, Dorsey of Arkansas, and Cono- the little streams to which they had been lily in Congress was the three Washburne ver of Florida. Patterson's time will be up then, and the chances that he or another like him can again be sent to the Senate from South Carolina in the near future are not great. Sargent of California is, also likely to make room for a Democrat in 1879. The Legislature which chooses his successor will be elected this year, without the aid of Morton, while the San Francisco election frauds are still fresh in the minds of the people. Morton will have to be rather industrious in Indiana to get himself returned to the Senate of the next Congress. Oglesby of Illinois will also be an ex-Senator in 1879 unless he gets himself re-clected in the mean *time, but the Legislature of his State already has a majority of Independents and Democrats, and the Republican prospects are apt to get "no better very fast" under the administration of Hayes. Whoever gets John Sherman's place in the Senate, will have to give it up two years bence when a new man ought to step in on the anti-Government-grabber plat-

extent the nobly erect carriage which mobile features change with every variation of thought. His memory, too, is as tedacious as ever. An Englishman who called upon him recently says that the a substratum of shrewd observation.
