the faculty consulted in vain. It is a sover-
eign, speedy, and effectual remedy in catarrhs,
shortness of breath, tickling in the throat,
tightness in the chest, whooping cough, sore
throat, wheezing, conged phlegm, spitting
of blood, soreness of the breast and stomach,
&c. asthma and consumption, and all disor-

LEE'S
Worm-Destroying Lozenges.
THIS Medicine, which is as innocen-
t and mild as it is certain and efficacious. In its op-
eration, cannot injure the youngest infants,
should no worms exist in the body; but will
without pain or griping, cleanse the stomach
and bowels of whatever is foul or offensive,
and thereby prevent the production of worms
and many fatal diseases.
Among the symptoms attending worms are
disagreeable breath, especially in the morning
— an acid corrupted gums—itching at the
nose and abut the seat—convulsions and epi-
leptic fits, and sometimes privation of speech
— starting and grinding of the teeth in sleep
— irregular appetite, sometimes loathing of
food and some times voracious—puffing, with lony
and foetid stool—vomiting—large and hard
belly—pains and sickness at the stomach—
pains in the head and thighs, with lowness of
spirits—no fever, with small and irregular
pulse—a dry cough—excessive thirst—some-
times a pale and unwholesome complexion, and
sometimes the face bloated and flushed.
Persons afflicted with any of the above symp-
toms, should have immediate recourse to Lee's
Worm-Destroying Lozenges, which have been
constantly a tested with success in all com-
plaints similar to those above described.

From the many cases of cures that daily
come to our knowledge, we have selected the
following:
Messrs. Mich. Lee & Co.
Observing that my son, six years of age,
was troubled with indigestion (something frequently
restlessness at night, loss of sleep, &c.) From
those symptoms I was confident he had worms,
and having procured a box of Lee's Worm-
Destroying Lozenges, the first dose expelled
twenty-three large worms, which gave him
immediate relief.—He now enjoys a good state
of health, and I believe I can say with con-
fidence, that Lee's Lozenges are the most effi-
cacious remedy for worms now in use.
THOMAS PETERS,
of the late firm of Peters & Johnson.
Baltimore, July 1, 1810.

Messrs. Mich. Lee & Co.
A child of Mr. Henry Grimes, near Mr.
Grimes's mill factory, was for upwards of 13
months afflicted with worms, the symptoms
appeared to proceed from worms, the symp-
toms were restlessness at night, delirium, pain
in the legs, loss of flesh, &c. After having
the advice of an eminent physician, and a
variety of medicines without success, the af-
flicted parents were advised to try Lee's
Worm-Destroying Lozenges, which expelled
during the operation of the medicine, a great
quantity of large worms, some of which mea-
sured 12 inches—the child now enjoys a good
state of health.
Baltimore, June 8, 1808.

Messrs. Mich. Lee & Co.
You are at liberty to publish the astonis-
ing cure performed by your Lozenges on my
son, ten years old, who was afflicted with
fever, pain in his side, and a continual head-
ache, which reduced him so low that he was
unable to sit up. One of my neighbors advised
me to use your Lozenges, which has had
the happy effect of restoring him to a better
state of health than he has enjoyed for sev-
eral years, in the short space of 17 days.
JOHN KELLY,
Pitt-street.

Messrs. Mich. Lee & Co.
My son, five years old, has for some time
past been very unwholesome, having fever, head-
ache and loss of appetite. Hearing of the many
cures performed by your Worm Lozenges,
I was induced to give him a trial. The ef-
fect was beyond my expectation, as a large
quantity of small worms was expelled; hun-
dreds of them were alive for some time after.
JOHN KENNEDY,
Poster-street

Edward Higgins, South-street, Baltimore,
administered Lee's Lozenges agreeable to the
directions, to his child of 14 months old—the
first of which expelled 16 worms measuring 20
inches long and near half an inch thick—the se-
cond dose expelled another 16 inches long
and the same thickness, and a quantity of small
worms mixed with slime, &c. The child en-
joys a good state of health.
