**Uses of Sorrow.**  
Oh, grieve not for the early dead,  
Whom God himself hath taken;  
But deck with flowers each holy bed—  
Nor deem thyself forsaken,  
When one by one, they fall away,  
Who were to thee as summer day.  
Wetp for the babes of guilt, who sleep  
With scanty rags stretched o'er them,  
On the dark road, the downward steep  
Of misery; while before them  
Looms out afar the dreadful tree,  
And solemn, sad Eternity!  
Nor weep alone; but when to Heaven  
The cords of sorrow bind thee,  
Let kindest help to thee be given  
As God shall teach to find thee;  
And for the sake of those above,  
Do deeds of wisdom, mercy, love.  
The child that sickened on thy knee,  
Though weeping christian mother,  
Had learn'd in this world, hispingly,  
Words suited for another.  
Oh, dost thou think, with pitying mind,  
On untaught infants left behind?

**SIX YEARS EXPERIENCE HAS PROVED**  
**THE VEGETABLE EXTRACT**  
**EPILEPTIC PILLS,**  
For the Cure of Fits, Spasms, Cramps, and all Nervous and Constitutional Diseases.  
PERSONS who are laboring under this distressing malady, by using the Vegetable Epileptic Pills will be the only remedy ever discovered for Epilepsy, or Falling Fits!  
These Pills possess a specific action on the nervous system, and although they are prepared especially for the purpose of curing Fits, they will be found of especial benefit for all persons afflicted with weak nerves, or whose nervous system has been prostrated or shattered in any cause whatever; in fact, it is almost impossible to convey an adequate idea of the speedy and almost miraculous results which these Pills effect in the diseased, broken down and prostrated nervous system. Persons who were all lassitude, weakness and debility, before their use, at once become robust and full of energy. No matter whether the constitution has been broken down by excess, weak by nature, or debilitated by sickness; their effect on the unstrung and shattered nervous organization is equally certain and apparent. In cases of neuralgia, headache, vertigo, pain in the nerves of the face, and the various train of nervous affections; palpitation of the heart, periodical headaches, cold and shivering state of the frame, frequently fits of abstraction, total inability, dislike to society, melancholy, religious monomania, heats and flushes of the face on the slightest occasion, a desire that existence might terminate; they will produce a cure in an astonishing short period of time, and they will also remove depression, excitement, a tendency to blush, restless, sleeplessness, incapacity for study or business, loss of memory, confusion, giddiness, blood to the head, mental debility, hysteria, indecision, wretchedness, thoughts of self destruction, fear of insanity, &c. It will increase and restore the appetite, strengthen the emaciated, renew the health of those who have destroyed it by excesses, and induce continual cheerfulness and equanimity of spirits, and prolong life.  
Persons of pale complexion and consumptive habits are restored by the use of a box or two to a healthy color, changing the skin from a lead, yellow, sickly color to a beautiful florid complexion.  
We assure the reader that the utmost reliance may be placed in these Pills, in the cure of the maladies mentioned above, and also of those which follow, viz.—Loss of muscular energy, and general prostration, irritability, and all nervous affections, indigestion, shyness of the Liver, weakness, &c. or any of the consequences of the above, or indulgence, renders them the most valuable remedy ever discovered. It is, in fact, a remedy for the above complaints, these Pills stand unrivaled and alone. There is no other reliance, remedy, or any that has authentically received the sanction of the medical faculty.  
In constitutional diseases the action of these Pills is not less happy and decided. Numerous instances might be mentioned in which persons who had inherited dreadful hereditary taints from their infancy, and had endured years of misery and suffering, spent hundreds of dollars, and finally been cured by the use of the Vegetable Extract Pills.  
As these pills are composed of some of the most expensive materials in the Materia Medica, it will be impossible to leave them around the country on agency, as common patent medicines usually are. But in order to let the afflicted have the most remote parts of the country, we have arranged to have the pills sent by mail, free of postage to any part of the United States, and any country within the United States has postal arrangements, on the receipt of a remittance.  
Prices—Vegetable extract Epileptic Pills, \$3 per box, or two boxes for \$5.  
All orders must be addressed, post-paid, to SETH S. HANCE, 108 Baltimore Street, Baltimore, Md.

**MEDICAL HOUSE,**  
No. 16 South Frederick St., BALTIMORE, MD.  
Established in order to afford the afflicted sound and scientific medical aid, and for the suppression of Quackery.  
Dr. J. B. Smith has for many years devoted his whole attention to the treatment of private complaints, in all their varied and complicated forms. His great success in those long standing and difficult cases, such as were formerly considered incurable, is sufficient to commend him to the public as worthy of the extensive patronage he has received. Within the last eight years Dr. S. has treated more than 20,000 cases of private complaints, in their different forms and stages; a practice which no other physician in Baltimore, and not a single case is known where his directions were strictly followed, and medicines taken at a reasonable time, without effecting a radical and permanent cure; therefore persons afflicted with diseases of the above nature, "no matter how difficult or long standing the case may be," would do well to call on Dr. Smith, at his office, No. 16 S. Frederick street, and if not effectually relieved no remuneration will be received. His medicines are free from Mercury and all mineral poisons; put up in a neat and compact form, and may be taken in public or private house, or while travelling, without exposure or hindrance from business, and except in cases of violent inflammation, no change of diet is necessary.  
STRUCTURES—Dr. Smith has discovered a new method by which he can cure the worst form of stricture in a very few days, and that without pain or inconvenience to the patient. Irritation of the urethra, or prostatic glands, or neck of the bladder, is sometimes mistaken for stricture by general practitioners or charlatans.  
VENEREAL and other affections with seminal debility, whether originating from a certain destructive habit, or from any other cause, with the train of bodily and mental evils which follow, when neglected, should make an early application, thereby avoiding much trouble and suffering, as well as expense. By his improved method of treatment, Dr. S. can safely guarantee a speedy and perfect cure in all cases of this complaint.  
FEMALES—All diseases peculiar to females, (such as suppression, irregularities, &c.) speedily and effectually removed. The efficacy of his remedies for the cure of the above affections, have been well tested in an extensive practice for the last twelve years.  
PERSONS AT A DISTANCE may consult Dr. S. by letter, post paid, describing case, and have medicine secured and forwarded to any part of the United States, always accompanied with full and explicit directions for use. Communications considered strictly confidential.—Office arranged with separate apartments, so that patients never see any one but the doctor himself. Attendance daily, from 8 in the morning till 9 at night.  
N. B. Persons afflicted with any of the above complaints will do well to avoid the various Quackeries and Specimens, advertised by Apothecaries and Druggists, as a certain cure for any and every disease. They are put up to sell but not to cure, and frequently do much more harm than good, therefore avoid them. A word to the wise is sufficient. Address

**HURD'S GOLDEN GLOSS FOR THE HAIR.**  
Among the many preparations for the growth of the Hair, this GOLDEN GLOSS takes the lead. Three reasons will be given why it is so universally used and preferred to all others. 1st, Because it has proved the most effectual in baldness. 2d, Because it imparts a beautiful dark gloss and delightful perfume to the Hair. 3d, Because the Ladies, with fine discrimination, which they all possess, have adopted it. Many other reasons could be given why it is a great favorite, but those who want more have only to give it a trial. Price 25 cts. in large bottles.—For sale by Druggists and Storekeepers everywhere.

**DR. CHALMERS' SANATIVE TINCTURE,**  
Entirely Vegetable.  
For Purifying the Blood and Eradicating Disease from the System.  
THIS medicine is warranted on oath, not to contain a particle of calomel, corrosive sublimate, arsenic, chloride of gold, muriate of barytes, or any other deleterious minerals. The Principle upon which the medicine acts, is by assisting and harmonising with nature; it drives out all acrimonious humors from the blood and body, and by assimilating with and strengthening the gastric juice of the stomach, it assists digestion; in short, there is not a vein, muscle or nerve in the human body, that is not strengthened by this Tincture, and it also possesses the remarkable property of removing mercury from the bones and joints.  
Read carefully the following astonishing, wonderful, and almost miraculous cures; and then judge for yourself whether its parallel has ever been discovered in the annals of medicine.  
Dr. Chalmers' Sanative Tincture possesses a specific action on the nervous system, and will be found of especial benefit for all persons afflicted with weak nerves, or whose nervous system has been prostrated or shattered, from any cause whatever; in fact, it is almost impossible to convey an adequate idea of the speedy and almost miraculous results which this tincture effects in the diseased, broken down and prostrated nervous system. Persons all lassitude, weakness and debility, before its use, at once become robust and full of energy. No matter whether the constitution has been broken down by excess, weak by nature, or debilitated by sickness; its effect on the unstrung and shattered organization is equally certain and apparent. In case of neuralgia, headache, vertigo, pain in the nerves of the face, and the various train of nervous affections; palpitation of the heart, periodical headaches, cold and shivering state of the frame, frequently fits of abstraction, total inability, dislike to society, melancholy, religious monomania, heats and flushes of the face on the slightest occasion, a desire that existence might terminate; it will produce a cure in an astonishing short period of time, and it will also remove depression, excitement, a tendency to blush, restless, sleeplessness, incapacity for study or business, loss of memory, confusion, giddiness, blood to the head, mental debility, hysteria, indecision, wretchedness, thoughts of self destruction, fear of insanity, &c. It will increase and restore the appetite, strengthen the emaciated, renew the health of those who have destroyed it by excesses, and induce continual cheerfulness and equanimity of spirits, and prolong life.  
In fact, as a remedy for the above complaints, this Tincture stands unrivaled and alone. There is no other reliable remedy, or any that has authentically received the sanction of the medical faculty.  
PALPITATION OF THE HEART.  
Mr. Erasmus Pullen, of West Milton Saratoga Co., N. Y., was cured of a violent Palpitation of the Heart; was afflicted for seven years, two years of which time he was unable to attend to business, employed six of the best physicians of New York, was finally cured by three bottles of Dr. Chalmers' Sanative Tincture, in the following manner:  
Phineas J. Beacham, of York, Pa., was cured by Dr. Chalmers' Sanative Tincture of dyspepsia, was afflicted for seven years, and at times was much depressed in spirits and mind, is now cheerful, robust and active, and enjoys a continual flow of spirits; and feels like another man.  
Ulcers on the Leg.  
Coleman Lilly, Esq., of 7th Hill Street, Baltimore, Md., suffered for several years from bad sores on the legs, weak eyes, and vertigo, after many unsuccessful attempts, took Dr. Chalmers' Sanative Tincture which cured him.  
Nails Came Off.  
The little son of Cyrus Biglow, of south hill, Bradford Co., Pa., was attacked with an eruption all over his skin, such was the violence of the humor in his feet, that nearly all his nails came off; his sores were finally healed, and he was restored to health by Dr. Chalmers' Sanative Tincture.  
The Hearing Improved.  
Mrs. Eartha Gibson, of Lockport, Erie, Pa., took Dr. Chalmers' Sanative tincture for nervous debility, costiveness, and piles, during the time she was taking it, she found her hearing, which was bad, much improved.  
Sore Eyes.  
John M. Saturn of Bladenburg, P. George's Co., Md., was afflicted with styas on his eyes for several years, also much inflammation of the eyelids, and his eyes were cured without any good effect under the treatment of the best medical aid, until he was finally cured by Dr. Chalmers' Sanative Tincture.  
The Piles Cured.  
James W. Jasper, of Lebanon, Pa., cured of piles of six years' standing, by using four bottles of Dr. Chalmers' Sanative Tincture.  
Scrofula and Rupture.  
A. L. Jackson, of Moyamensing Township, Philadelphia, Pa., writes that he was afflicted with scrofula from infancy, and at the age of twenty-five years was attended at different times by ten different physicians, took hundreds of dollars worth of a variety of medicines, wore seven different trusses, and finally cured by Dr. Chalmers' Sanative Tincture.  
Rheumatism and Gout.  
Mrs. J. L. Johnson of Virginia suffered from rheumatism and gout for eight years, at times unable to turn herself in bed, being possessed by an insupportable pain, she was cured by the use of Dr. Chalmers' Sanative Tincture.  
Liver Complaint and Pain in the Side for three years, was much debilitated, and at times could scarcely walk, tried electricity, cold water cure, blue pills, and the regular doctors, was at length relieved and cured by four bottles of Dr. Chalmers' Sanative Tincture, and was enabled to take a one dollar per bottle, or six bottles for \$5 for sale at the General Agency.  
Prostration of the Entire System.  
Testimonial from William T. Nimmo, Esq., Proprietor of Nimmo's celebrated Rheumatic Liniment.  
Baltimore, May 30, 1853.  
To Seth S. Hance—Dear Sir:—It gives me pleasure to add my testimony to the already powerful and certified in favor of Dr. Chalmers' Sanative Tincture. For sometime I have suffered with general nervous debility, weakness and entire prostration of the whole system. From my usual weight, which is 125 lbs. I fell off to 113. During this time I suffered much from great depression and loss of spirits, and I had recourse to several consumptive medicines, thinking I was going into a rapid decline. I tried one bottle of Dr. Chalmers' Sanative Tincture, and before I had taken the third dose of the first bottle, I found an addition in my weight of 3 lbs., and increasing. I feel myself now fully recovered. My complexion is clear and of a healthy hue. I would recommend it in the strongest terms.

**Gouley's Vegetable Bitters**  
(SUCCESSOR TO L. GOULEY.)  
No. 33 Baltimore street, Baltimore, Maryland.  
INVENTOR and proprietor of the above popular and invaluable medicine, commends it to the attention of the public of the United States as an article worthy of their notice.  
**NATIONAL REPUTATION**  
It has already acquired. It has been familiar to the people of Baltimore for nearly twenty years, and is used throughout this, and extensively in all the southern and western States, as an infallible remedy for  
Diarhea, Bilious Fever, Liver Complaint, Nausea, Stomachic, Fever and Ague, Rheumatism, Neuralgia, &c.  
It is peculiarly adapted to females in delicate health, its strengthening and renovating properties rapidly contributing vigor to the nervous system, and a healthy and elastic tone to the spirits.  
Full directions for its use accompany each bottle, and also a series of highly commendatory notices from a variety of sources.  
At the same place may also be obtained Gouley's Cough Drops, Gouley's Eye Water, Gouley's Tetter Wash, and Gouley's Pile Pills.  
All orders addressed to the undersigned will be promptly attended to, and the medicine forwarded to any part of the country.  
C. GOULEY, may21-1y No. 33 Baltimore street.

**MONUMENTAL LITERARY GAZETTE.**  
Believing that the citizens of Baltimore have the will as well as the means to support liberally a "Home Journal," devoted to their interests and amusement, the undersigned will (if sufficient patronage can be obtained) commence the publication of an Original Weekly Paper under the above title.  
Native Literature and Home Talent will be encouraged and fostered by its proprietors; and besides the usual variety of Miscellaneous Reading, embracing every topic of general interest, the Local News of the week, the Markets, and "All Sorts of Paragraphs," due space will be appropriated to the "Ladies' Department," thereby more fully adapting the paper to the FEMALE and FAMILY CIRCLE.  
Its columns shall never be contaminated with an impure or immoral sentiment.  
It has long been a reproach to Baltimore that she has stood alone in not supporting Home Literature. While some other cities have their dozen, she as yet has not one single Literary Paper.  
We call then upon the citizens for support.—Let them encourage native enterprise, (for the Proprietors and Editors were born in Baltimore, and have their interest at heart,) and by giving us encouragement build up a purely "Home Journal."  
We are fully aware that many attempts have been made to establish a Literary paper in Baltimore, and that each trial has been ended in a failure. We will not do this, for we pledge ourselves that if one number is issued the whole volume shall be completed, and to make this pledge secure the first number will not be published until a sufficient number of subscriptions have been obtained to justify its continuance. Our energies shall be directed to the accomplishment of this end by the first week of the coming New Year.  
The pens of some of the best and most popular writers of the day will be engaged for its columns, and the Editors' productions shall appear in each week's issue. In fact our chief aim shall be to amuse, instruct, and promote the interests of morality and virtue, and, true to our motto, "Excelsior," eventually make it the BEST FAMILY PAPER PUBLISHED.

**Through by Express.**  
THIS IS TO CERTIFY THAT THE MEXICAN  
**Mustang Liniment**  
HAS been used quite extensively in the stables of Adams & Co's great southern, eastern and western express, for curing Galls, Chafes, Scratches, Sprains and Bruises, and it has proved very effectual. We have no hesitation in recommending it as a valuable preparation, to be used externally on man or beast.  
Foreman of Adams & Co's Express, New York.  
J. D. DUNNING, No. 100 Broadway, New York.  
We take great pleasure in recommending the "Mexican Mustang Liniment" to all our friends and customers as the best article we have ever used for sores, sprains, or galls in horses. We have used it extensively, and always effectually. Some of our men have used it for severe bruises and sores, as well as Rheumatic pains; and they all say it acts like magic—we can only say that we have entirely abandoned the use of any other Liniment.  
J. M. HAVITT, Foreman for American Express Co., 10 Wall st. Harnden's Express, 74 Broadway. Pullen, Virgil & Co's, 16 Wall st. Wells, Fargo & Co's, do. do.  
Having used the Mustang Liniment in my family for several severe cases of hard lumps, and swellings, I cheerfully give my certificate to its excellent effects. My daughter had a hard lump, the size of a hen's egg, upon her wrist for a year. I told her to rub with the Liniment and a few applications entirely removed it. I have also used the Liniment for scrofulous tumors, or swellings in the throat of long standing, on two of my servants, and it removed them both in a short time. I consider them all remarkable cures, and recommend the Mustang Liniment as the best article I ever used.  
JESSE T. HOPKINS, Proprietor of Hopkins' Hotel, Liberty, Va., June 30th, 1853.  
Morganton, N. C., June 30, 1853.  
Dr. A. G. Briggs & Co.—I feel it my duty to those of my fellow beings who are afflicted as I have been, to add my testimony to the wonderful effects of your Mustang Liniment. I was severely attacked in December last with rheumatism in its worst form, suffering night and day with excruciating pain for six months, being for the whole time unable to walk or even step. My right leg was so contracted and drawn up that I could not put it to the ground, and my left arm was badly contracted. During the whole time I was attended by two of the most skillful physicians in the place, but they were unable to afford me relief, and finally gave me up—pronounced me incurable, and said I must die. At this critical moment I commenced using the Mexican Mustang Liniment, and after using two small bottles I began to find relief from my sufferings; and after using 7 bottles I was as well as ever.  
Morganton, June 30, 1853.  
I certify that I am acquainted with George Good; that he was afflicted with rheumatism above stated, and was cured by the use of the Mexican Mustang Liniment.  
JAMES C. SMYTH, Merchant and hotel keeper.  
Prices of the Liniment.—It is put up in bottles of three sizes, and retails at 25 cents, 50 cents, and \$1 per bottle. The 50 cent and dollar bottles contain 50 and 100 per cent more Liniment, in proportion to their cost, so that money is saved by buying the large size.
