AYER'S
Cathartic Pills,
(SUGAR COATED,)
ARE MADE TO
CLEANSE THE BLOOD AND CURE THE SICK.
Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF
Headache, Sick Headache, Foul Stomach.

PITTSBURG, PA., May 1, 1855.

J. C. AYER, Sir: I have been repeatedly cured of the worst headache you ever knew, by one or two of your Pills. Those of my family who have taken them, say the same. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect, ED. W. FRYER,
Clerk of Steamer Clarion.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, }
WASHINGTON, D. C., Feb. 16, 1856. }

SIR: I have used your Pills in my general and hospital practice ever since you first let them, and I must declare to you that, for the list cathartic we employ. Their irritation, or fuss on the *force* is quite absolved, or compensated by their sure an unbridled curiously for detail, when used that object. Indeed, I have sold no Pills and a case of *Liver disease* equal to this. But all did not readily yield to them.

Personally yours, ALONZO HALL, M. D.,
Physician of the Interior Hospital.

Dysentery, Relax, and Worms.

EAST GREEN, BRUNSWICK, LIV. CO., MICH., Nov. 26, 1855.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to Cincinnati for a great surgeon, but got no better. She there commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had had and was confined to his bed with four doses of your Pills while others around us paid from five to twenty dollars doctor's bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.

GEO. J. GRIFFIN, *Postmaster.*

Indigestion and Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit professionally. To regulate the organs of digestion and purify the Blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Pioneering Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had poisoned her for years. Her mother had been long previously afflicted with fetid breath and pimples on her skin and in her hair. After our child was cured, she gave them to her mother, and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.

From the Late Ex-Speaker of the Kentucky Legislature.

PLANTERS' HOUSE, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your pills have given me if I did not report my case to you. As it settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Nothing relieved me until the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were soon, but sure. By persevering in the use of them, I am now entirely well.

Yours with great respect, ED. W. FRYER.

SENATE CHAMBER, BATON ROUGE, LA., 5 Dec. 1855.

DR. AYER: I have been entirely cured by your Pills of Dyspepsia of a painful disease that I had suffered for years. VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are invaluable and efficient.

Fits, Suppression, Paralysis, Inflammation, and even **Deafness,** and **Partial Blindness,** have been cured by the alterative action of these Pills.

Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its exhibition to children. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL
FOR THE RAPID CURE OF
COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues, as they are known wherever man or disease exists. Throughout every town and almost every family in the land, there is some one who has been cured by its use of the distressing pulmonary complaints to which it is adapted, and its unrivalled excellence for these is everywhere known. Nor is it less the duty than the pleasure of the agent who sells to the sufferer the antidote for his pain, to tell him plainly and honestly what he knows of the composition of the remedies he gives, and the effects they will produce. This we do when we say that while we are daily in the receipt of certificates of the most astonishing cures of pulmonary complaints by the use of this medicine, we are constantly in receipt of letters from those who have taken it, and from physicians who have prescribed it, containing the most wonderful accounts of its power over the severest forms of disease. While we do not claim it to be a panacea for all the ills that afflict mankind, we do say that it is the most powerful antidote yet known to man for the formidable diseases of the throat and lungs. While we do not claim for it the power of stopping the progress of consumption when the tubercles have become seated in the lungs, we do say that it will control the disease sooner than any other remedy yet discovered, and counteract the fatal symptoms of the disease, and restore the patient to perfect health and strength, when the case is not beyond the reach of medicine. While we do not claim that it will restore sight to the blind, hearing to the deaf, or limbs to the paralytic, we do say that it will cure every species of humor, from the worst scrofula down to a common pimple on the face; and that it will cure the most desperate cases of erysipelas, salt rheum, ringworm, tetter, scald head, and the most obstinate ulcers and sores, if taken in season and given a fair trial. We do not claim that it will cure every case of dyspepsia, liver complaint, or heart disease, but we do say that it will cure more cases of these complaints than any other remedy, and that in all cases it will relieve pain, and in most cases it will cure. We do not claim that it will cure every case of rheumatism, neuralgia, or gout, but we do say that it will cure more cases than any other remedy, and relieve more cases than any other two remedies in use. We do not claim that it will cure every case of dropsy, but we do say that it will cure more cases than any remedy yet discovered, and relieve more cases than any other two remedies in use. We do not claim that it will cure every case of kidney complaint, or female weakness, but we do say that it will cure more cases than any other remedy, and relieve more cases than any other two remedies in use. These complaints are the most distressing to which the human frame is subject, and the most difficult to cure. Those who are afflicted with them may rest assured that no remedy can be found in the whole range of medicine which will cure them more surely than this. These complaints are the most distressing to which the human frame is subject, and the most difficult to cure. LENITY.

To the Editor of the Annapolis Gazette:

WE deem it due to Mr. COULTER, of your place, to invite public attention to the very superior article of LIME now furnished by him. In doing so we feel that we are rendering a service to the Farmers, and especially to those of Anne Arundel county. We say without hesitation that, in our opinion, Mr. COULTER furnishes an article greatly superior to any thing of the kind we have ever used or seen. The Lime furnished by him is burnt with the best spruce pine and light wood, the ashes of which every Farmer knows the value of, in improving land. These mix with the Lime and add greatly to its fertilizing properties. Whereas the Lime obtained from Baltimore and elsewhere is burnt with the filthy coal offal, procured from yards, and of course inferior in quality and of much less value as a fertilizer than that furnished by Mr. COULTER.

Mr. Coulter must certainly possess some secret in manufacturing his Lime, for we have never seen any Lime where all the shells were so thoroughly burnt. He burns ten thousand bushels in ten days, and every shell is converted into Lime of the finest quality and as white as the driven snow.

Dr. James Higgins, State Agricultural Chemist, in Company with Col. Walton, visited Mr. Coulter's place of business a short time since, and pronounced his Lime the most beautiful article of the kind he had ever seen.

Mr. Coulter furnishes his Lime at Baltimore prices; and the Farmers of Anne Arundel county and others would do well to give him a call, if they wish to procure an article of superior quality

HOWARD ASSOCIATION,
PHILADELPHIA.

A Benevolent Institution, established by special endowment for the relief of the sick and distressed, afflicted with Virulent and Epidemic diseases.

TO all persons afflicted with Sexual Diseases, such as Spermatorrhœa, Seminal Weakness, Impotence, Gonorrhœa, Gleet, Syphilis, the Vice of Onanism, or Self Abuse, &c., &c.

The Howard Association, in view of the awful destruction of human life, caused by sexual diseases, and the deceptions practised upon the unfortunate victims of such diseases by Quacks, several years ago, directed their consulting Surgeon, as a Charitable Act worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical Advice Gratis, to all who may apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in cases of extreme poverty, to FURNISH MEDICINES FREE OF CHARGE. It is needless to add that the Association commands the highest Medical Skill of the age, and will furnish the most approved modern treatment.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

Just published by the Association, a Report on Spermatorrhœa, or Seminal Weakness, the Vice of Onanism, Masturbation or Self Abuse, and other Diseases of the Sexual Organs, by the Consulting Surgeon, which will be sent by mail, (in a sealed letter envelope,) FREE OF CHARGE, on receipt of TWO STAMPS for postage.

Address, for Report or treatment, Dr. GEO R. CALHOUN, Consulting Surgeon, Howard Association, No. 2 South Ninth Street, Philadelphia, Pa. By order of the Directors,

EZRA D. HEARTWELL, President.

BIBLEMON FLOYD takes this method of informing his customers and the public generally, that he can be found at the old stand, where he still continues to carry on everything in the line of a Barber. Having been at some additional expense, and the high price of provisions, has caused him to raise the price of Hair Cutting to 18¾ cents—Shaving at the old price, 6¼; Shampooing 25, Boot Blacking 6. His patrons can find the Baltimore papers at his shop, after the arrival of the steamboats, and have an opportunity to read the latest news. july 1-y
