Road Notice.

NOTICE is hereby given that the following Petition will be presented by the undersigned to the Commissioners of Talbot county:

TO THE HONORABLE BOARD OF COMMISSIONERS

for Talbot County. Gentlemen:—

We the undersigned citizens of Talbot county, beg leave to represent that the trade upon a certain road, leading from the Centreville road, near Hook town, to another road, leading to the Chapel Saw Mill, and Church, is greatly impeded, in consequence of a deep ravine, upon the farm now owned by Col. Richard Thomas, so much so indeed, as to render the hauling of wood, lime, grain, and in fact every thing, a very difficult and laborious operation, and believing that the interest of the neighborhood would be greatly promoted, by having a frame bridge made and the Hills, upon either side, cut down, and the earth used, to raise the middle, either by logging or poling.

We therefore, ask your Honorable body to have the said road, so improved, as to place the trade thereon, upon an equal footing with other parts of the County.

ANNUAL ASSESSMENT OF 1863.
Assessor's Office, Denton, May 12, 1863.

All tax payers within the first District of Maryland, are hereby notified to make returns of the annual assessment of 1863, to the assistant Assessor of the Divisions in which they respectively reside:

Of the amount of Silver and Gold plate kept for use;

Of Carriages kept for use or for hire and their value;

Of Billiard tables kept for use or for hire;

Of Yachts or pleasure vessels and their value;

The last Assessment on the above classes of property, was made for the year 1862. The assessment now to be made is for 1863.

II.—*Licenses*—All persons engaged in any kind of business for which they are liable to pay licenses are required to apply for licenses from May 1, 1863. Holders of licenses will be allowed for any time which they may have yet to run before expiration.

III.—*Income*—TOTAL INCOME TO BE RETURNED. Each person will be required to return his total income from January 1, to December 31, 1862, inclusive, so far specifying the sources from which it is derived as to enable the assistant assessor to decide what deductions shall be made therefor.

All income from whatever source received, prior to September 1, 1862, is taxable, as dividends were not subject to deduction before that date.—Interest received from or due by trust companies, savings institutions, insurance and railroad companies, corporations or associations, prior to the same date is also taxable.

Profits of business including the profits of manufacturers are to be taxed. The exemption of profits on manufactures, contained in the original statute, was removed by the amendatory act of March 3, 1863.

The income tax is to be levied upon all persons in the district in which they reside; consequently persons in this district deriving profits or income from investments or business outside of the district must make return of the same here.—Business firms must make such an estimate of their gains for the year 1862, as will enable each member to return his share to the assistant assessor.

Guardians and trustees, whether such trustees are so by their office as executors, administrators or other fiduciary capacity, are required to make return of the income belonging to minors, or other persons, which may be held in trust, as aforesaid; and the income tax will be assessed upon the amount returned, after deducting such sums as are exempted from the income tax as aforesaid: Provided, that the exemption of six hundred dollars, under section 90 of the excise law, shall not be allowed on account of any minor or other beneficiary of a trust, except upon the statement of the guardian or trustee, made under oath, that the minor or beneficiary has no other income from which the said amount of six hundred dollars may be exempted and deducted.

Farmers will be required to make return of the value of the produce of his farm or plantation, without deduction for the labor or services of himself and family or for any portion of such produce consumed by himself and family.

Persons receiving salaries must return the full amount of the same.

The following deductions will be allowed:

Taxes for 1862, and the amount actually paid for rent of any dwelling house or estate which is the residence of the person assessed—Persons receiving rent may deduct therefrom the amount paid for necessary repairs, insurance and interest on incumbrances upon such rented property. The cost of new structures or improvements to buildings, shall not be deducted from income.

Interest paid by any person on incumbrances upon the dwelling house or estate on which he resides, also his payment for necessary repairs.

The amount paid by any farmer for hired labor and necessary repairs upon his farm, including the subsistance of laborers.

Also the sum of six hundred dollars.

All persons neglecting or refusing to make returns of any property or business which may be to tax or license, for ten days after notified to do so by an assistant assessor, are liable to be assessed by him according to the best information he can obtain, and he is required by law to add fifty per centum to the amount of such assessment. Such persons also become liable to the fines and penalties prescribed by law.

Returns may be made to either of the following assistant assessors, from whom any further information (and the requisite blanks) may be obtained.

GENUINE PREPARATION,

COMPOUND
FLUID EXTRACT BUCHU,
A Positive and Specific Remedy

For Diseases of the

BLADDER, KIDNEYS, GRAVEL, AND DROPSICAL SWELLINGS.

The Medicine increases the power of Digestion, and excites the ABSORBENTS into healthy action, by which the WATERY OR CALCEROUS depositions, and all UNNATURAL ENLARGEMENTS are reduced, as well as pain and inflamation, and is good for MEN, WOMEN, OR CHILDREN.

Helmbold's Extract Buchu

FOR WEAKNESSES

Arising from Excesses, Habits of Dissipation, Early Indiscretion, or Abuse,

Universal Lassitude of the Muscular System,	Flushing of the Body,

IMPOTENCY, FATUITY, ELECTIC FITS,

In one of which the patient may expire. Who can say that they are not frequently followed by those "direful diseases,"

INSANITY AND CONSUMPTION,

Many are aware of the cause of their suffering, but none will confess. The records of the insane Asylums and the melancholy deaths by Consumption, bear ample witness to the truth of the assertion.

THE CONSTITUTION, ONCE AFFECTED WITH ORGANIC WEAKNESS,

Requires the aid of medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU idvariably does. A trial will convince the most skeptical.
