LOCALS.

ASSAULT WITH A BAT.—On Saturday last, a colored man by the name of Thos. Lockerman, in the employ of A. A. Pascault, struck John Chilcutt, Esq., just back of the ear with a bat, under the following circumstances, as we are informed by Mr. C. himself:—Mr. Chilcutt was standing at the corner of Washington and Dover streets when Lockerman came up to him and inquired of Mr. C. what he was paying harvest mowers—Mr. C. having harvested one field of early wheat—when he told him that he was paying $1 25. This appeared to excite Lockerman, but at first he was supposed to be joking, until he swore he would not cut wheat for any man for that price if it "were to stubble fall for twenty years," &c. Mr. C. remarked to him that he thought he had better or he might not get any more of that which he was then eating (he was eating a rolle at the time.) At length Lockerman went off but returned some three or four times afterwards, when Mr. Chilcutt picked up a bat and threatened to strike him with it, but before he could use it, Lockerman threw one taking effect as stated above. Mr. C. informed us that he had been paying two dollars a day for mowers, but that as he did not wish to employ Lockerman, he did not think he had any right to catechise him upon the subject. Lockerman was committed.

☞ BENNETT, the proprietor of the "Brick," has been engaged for some time, in renovating his house, from the cellar to the story next to the sunshine—we believe there are no garrets now-a-days—and is getting everything in complete order. The yards and surrounding premises have received particular attention, and all present cleanliness and neatness. We see that Capt. Samuel H. Haddaway is employed by Mr. Bennett, as clerk. The Captain is very popular and we think the proprietor has done well in securing his services.

ANOTHER EXCURSION.—We learn that the Masonic Order of Easton, anticipate giving an excursion from Easton Point to Baltimore city on the 19th of July.—The proceeds of this excursion will be applied to the benefit of the Order, which is using all available means to secure money for the erection of a Masonic Temple. It is to be hoped that great success will crown their efforts.

THE FRAME LOOKING UP.—Mr. Reed, proprietor of the Frame Hotel, has been engaged the last three or four weeks in brushing up his premises, from top to bottom—furnishing his rooms with new carpets, &c. Mr. Reed has employed the services of S. B. Hopkins, Jr., for a number of years with J. C. Norris, Esq., at the Brick Hotel, as Clerk, where he will hold the same position. Mr. Hopkins is noted for being attentive to guests.

FOR 4TH OF JULY.—It is generally supposed that the town of Oxford will again be filled to its utmost capacity on the 4th of July. For several weeks a regatta has been upon the tapis in Oxford Neck, and those engaged in it have been making preparations to have it one of the grandest affairs ever upon our waters. A number of silver cups will be purchased as premiums for speed.

☞ MILTON POWELL, Esq., has been appointed ticket agent at the Easton Depot, for the Md. & Del. Railroad, in place of J. W. Collins, Esq., resigned.—Eugene R. Airingdale, Esq., received the appointment of Conductor, to fill the vacancy occasioned by the appointment of Mr. Powell, as agent.

☞ The many friends of Gen. Giles A. Smith, Second Assistant Postmaster General, will regret to learn that he is seriously ill at the residence in Washington. He had two hemorrhages on Friday night.

☞ There are now 29,000 Postoffices in the United States.

Eastern Shore Items.—Last week, the ladies connected with St. Peter's Church, (Catholic,) at Queenstown, held a fair and were very successful. The proceeds are to be applied to the erection of a new Church at that place.

The wheat and peach crop are short in Queen Annes.

"Dandy Hall," at Centreville, was broken into and robbed, on Wenesday night of last week. It is likely that some fellow wanted to go on a *bender*, as some eight gallons of liquor and several boxes of cigars were stolen.

A bridge across Dorsia Creek is to be built at a cost of $1400. James E. Coppage, contractor.

The Centreville *Observer* intimates that married men, in that section have a turn toward kissing the servant girls, but are not sharp enough to keep their wives from catching them.

W. J. Embert, white, and Stephen Pierce, colored, were committed to Centreville jail, on Saturday last, in default of bail, to keep the peace.

Henry Harris and wife were committed to Centreville jail, on Sunday last, on the charge of receiving stolen goods.

Capt. Pere Wilmer has been appointed station agent at Centreville.

In Chestertown, Kent county, there was a Sunday School Convention held in the M. E. Church, on Tuesday last.—Twenty-six Schools were represented, all from Kent. Rev. H. C. Cushing of the M. P. Church, was called to the chair, and a lengthy and interesting session was held.

The Chestertown *Transcript* gives an account of a shooting affair at Black's Station, in that county, on Wednesday of last week, in substance as follows:—A colored man in the employ of Alex. Crew, commenced a disturbance with the cook. Mr. Crew and the colored man had some words, and then blows. Mr. Crew ran into his house, took a shot gun and discharged two barrels at the offender. The wound was not dangerous.

S. V. Farson, of Chestertown, has sold a carriage horse for $562.50. Jas. E. Giffin, of Moorstown, New Jersey, purchaser.

There will be a camp-meeting held at Baker's Woods, Kent county, on the 28th day of July. The bread tent was bid for and struck off at $103, to W. H. Hambleton, and the horse pound to Jno. Walls, for $73.

The Preston *Surprise* furnishes us with the following items.

Mr. Willis Pool was overcome by heat on Monday of last week, while engaged in painting a carriage. Restoratives were applied and he recovered.

A camp meeting will commence at Concord on the 12th of August.

Medford's wharf is now in a fit condition for boats to stop at.

In Lakesville, Dorchester county, the *News* says, there is a better prospect for wheat than there has been in that section for the last ten years.

The *News* office is astonishing *old* printers with the beauty in which cards are printed at that establishment. Perhaps young ones would not be so much amazed at the sight.

Mr. Thos. Hopkins, at Town Point, Dorchester county, lost his barn and other out-buildings by fire on Monday of last week. It was the work of an incendiary.

The M. P. Church, at Chatteau, in New Market section, is to be enlarged. The congregation is of fine size.

Miss Stubbs, of Virginia, employed as a teacher, on Kent Island, Q. A. Co., died at the residence of Rev. W. Graham' Dorchester county, on the 3d inst. She was on a visit at the time and contracted the typhoid fever.

SQUIBS.—On Tuesday the first huckleberries of the season, made their appearance in our market

Gardens in this section, are suffering very much from dry weather.

Dysentery has made its appearance, though in a mild form. Persons should be cautious as to their diet.

Scarlet fever has prevailed in the neighborhood of Royal Oak recntly, but we have heard of no deaths.

A petition is in circulation for the release of a young man by the name of Price, who has been confined in the Maryland Penitentiary about eighteen months for selling a horse and carriage belonging to F. G. Wright, Esq.

Bishop Lay's purchasing property and making Oxford, his residence, is strongly talked of.

Rev. Saml. Valliant of the Md. Annual Conference, M. P. Church, has been sojourning with his parents, at Oxford for some weeks, in order to recruit his health, which has become somewhat feeble.

THE ANNAPOLIS EXCURSION.—As the excursionists did not arrive until after our paper had gone to press, we are unable to speak of the pleasures of the day. We learn a large number went and we have doubt from the character of the boat and her officers, and the attention that was bestowed by those having the matter in charge, the day passed off pleasantly and profitably.

HEAD CUT.—On Tuesday last, a colored boy by the name of Bottom, about 16 years old, was arrested and held to $100 bail, for cutting the head of Herbert Gale, white. The boy gave security and was released.

HOUSE PURCHASED.—Chas. E. Shanahan, Esq., Attorney-at-Law, has purchased the residence of Mr. Thomas Reese, on Dover street, for $1750.00—$1600 cash.

FINE STOCK.—Thos. Hughlett, Esq. sold a few days ago, a one year old bull, for $125, to B. Jones Taylor, of Berlin, Worcester county. The animal was of the short horn Kentucky breed.

THE ANNAPOLIS GAZETTE.—We regret to see an announcement in the Annapolis *Gazette* of this week that at the close of the present month the publication of that paper will be suspended, on account of lack of proper support.

☞ THE *Gazette* presents its compliments to the *Journal*, and desires to say that it will reciprocate its courtesies of the 15th inst., by a reply in its next issue—business and Ku Klux permitting

☞ THE case of Amos Ridge, the boy who stole R. C. Carter's money, has been dismissed, by the boy refunding the $130. A lucky arrangement for Mr. Carter.

VINEGAR BITTERS

VEGETABLE FREE FROM ALCOHOL

D. WALKER'S CALIFORNIA

VINEGAR BITTERS

J. WALKER, Proprietor. R. H. McDONALD & Co., Druggists & Gen. Agents, San Francisco, Cal., and 32 Commerce St., N.Y.

MILLIONS Bear Testimony to their Wonderful Curative Effects.

Vinegar Bitters are not a vile Fancy Drink, Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and of all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.

SOLD BY ALL DRUGGISTS AND DEALERS.

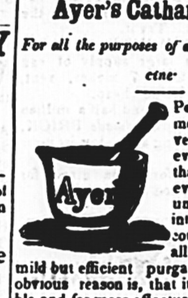
Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine



Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative *Pill*. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it know that it cured them; those who have not, know that it cures their neighbors and friends; and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them

Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, they may be taken with safety by anybody. Their sugar-coating preserve them ever fresh, and makes them pleasant to take, while being purely vegetable, no harm can arise from their use in any quantity.

Minute directions are given in the wrapper on the box, for the following complaints which these PILLS rapidly cure:—

For Dyspepsia or indigestion. Listlessness, Languor and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diarrhoea, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Palpitation of the heart, Pain in the Side, Back and Loins, they should be continuously taken as required, to change the diseased action of the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression a large dose should be taken as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the apetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists.—One who feels tolerably well often finds that a dose of these pills makes him feel decidedly better, from the cleansing and renovating effect on the digestive apparatus.

Manhood: HOW LOST, HOW RESTORED.

Just published a new edition of DR. CULVERWELL'S CELEBRATED ESSAY on the radical cure, (without medicine,) of Spermatorrhœa, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc., also, Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual extravagance.

The celebrated author in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and every man in the land. Sent, under seal, in a plain envelope, to any address, postpaid, on receipt of 6 cents, or two post stamps.
