CITY INTELLIGENCE.

Big Oats or Dowsman—One of the most valuable horses that ever trotted on the turf is Big Oats, or Dowsman, as he is sometimes called. He is a bay horse, 16 hands high, 6 years old, and was foaled in Kentucky. He was sired by Mambrino Chief, and his dam was by Bishop's Hambletonian. He was purchased by Mr. Dowsman, of Richmond, and trained by him for three years. He was then sold to Mr. Webb, of this city, for $5,000, and was driven by Mr. Webb for two years. He was then sold to Mr. Dunbar, of Philadelphia, for $10,000, and was driven by him for a year. He was then sold to Mr. Bonner, of the New York Ledger, for $20,000, and was driven by him for a year. He was then sold to Mr. Bonner's brother-in-law, Mr. Walker, for $25,000, and was driven by him for a year. He was then sold to Mr. Bonner for $30,000, and was driven by him for a year. He was then sold to Mr. Bonner for $40,000, and was driven by him for a year. He was then sold to Mr. Bonner for $50,000, and was driven by him for a year. He was then sold to Mr. Bonner for $60,000, and was driven by him for a year. He was then sold to Mr. Bonner for $70,000, and was driven by him for a year. He was then sold to Mr. Bonner for $80,000, and was driven by him for a year. He was then sold to Mr. Bonner for $90,000, and was driven by him for a year. He was then sold to Mr. Bonner for $100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $110,000, and was driven by him for a year. He was then sold to Mr. Bonner for $120,000, and was driven by him for a year. He was then sold to Mr. Bonner for $130,000, and was driven by him for a year. He was then sold to Mr. Bonner for $140,000, and was driven by him for a year. He was then sold to Mr. Bonner for $150,000, and was driven by him for a year. He was then sold to Mr. Bonner for $160,000, and was driven by him for a year. He was then sold to Mr. Bonner for $170,000, and was driven by him for a year. He was then sold to Mr. Bonner for $180,000, and was driven by him for a year. He was then sold to Mr. Bonner for $190,000, and was driven by him for a year. He was then sold to Mr. Bonner for $200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $210,000, and was driven by him for a year. He was then sold to Mr. Bonner for $220,000, and was driven by him for a year. He was then sold to Mr. Bonner for $230,000, and was driven by him for a year. He was then sold to Mr. Bonner for $240,000, and was driven by him for a year. He was then sold to Mr. Bonner for $250,000, and was driven by him for a year. He was then sold to Mr. Bonner for $260,000, and was driven by him for a year. He was then sold to Mr. Bonner for $270,000, and was driven by him for a year. He was then sold to Mr. Bonner for $280,000, and was driven by him for a year. He was then sold to Mr. Bonner for $290,000, and was driven by him for a year. He was then sold to Mr. Bonner for $300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $310,000, and was driven by him for a year. He was then sold to Mr. Bonner for $320,000, and was driven by him for a year. He was then sold to Mr. Bonner for $330,000, and was driven by him for a year. He was then sold to Mr. Bonner for $340,000, and was driven by him for a year. He was then sold to Mr. Bonner for $350,000, and was driven by him for a year. He was then sold to Mr. Bonner for $360,000, and was driven by him for a year. He was then sold to Mr. Bonner for $370,000, and was driven by him for a year. He was then sold to Mr. Bonner for $380,000, and was driven by him for a year. He was then sold to Mr. Bonner for $390,000, and was driven by him for a year. He was then sold to Mr. Bonner for $400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $410,000, and was driven by him for a year. He was then sold to Mr. Bonner for $420,000, and was driven by him for a year. He was then sold to Mr. Bonner for $430,000, and was driven by him for a year. He was then sold to Mr. Bonner for $440,000, and was driven by him for a year. He was then sold to Mr. Bonner for $450,000, and was driven by him for a year. He was then sold to Mr. Bonner for $460,000, and was driven by him for a year. He was then sold to Mr. Bonner for $470,000, and was driven by him for a year. He was then sold to Mr. Bonner for $480,000, and was driven by him for a year. He was then sold to Mr. Bonner for $490,000, and was driven by him for a year. He was then sold to Mr. Bonner for $500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $510,000, and was driven by him for a year. He was then sold to Mr. Bonner for $520,000, and was driven by him for a year. He was then sold to Mr. Bonner for $530,000, and was driven by him for a year. He was then sold to Mr. Bonner for $540,000, and was driven by him for a year. He was then sold to Mr. Bonner for $550,000, and was driven by him for a year. He was then sold to Mr. Bonner for $560,000, and was driven by him for a year. He was then sold to Mr. Bonner for $570,000, and was driven by him for a year. He was then sold to Mr. Bonner for $580,000, and was driven by him for a year. He was then sold to Mr. Bonner for $590,000, and was driven by him for a year. He was then sold to Mr. Bonner for $600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $610,000, and was driven by him for a year. He was then sold to Mr. Bonner for $620,000, and was driven by him for a year. He was then sold to Mr. Bonner for $630,000, and was driven by him for a year. He was then sold to Mr. Bonner for $640,000, and was driven by him for a year. He was then sold to Mr. Bonner for $650,000, and was driven by him for a year. He was then sold to Mr. Bonner for $660,000, and was driven by him for a year. He was then sold to Mr. Bonner for $670,000, and was driven by him for a year. He was then sold to Mr. Bonner for $680,000, and was driven by him for a year. He was then sold to Mr. Bonner for $690,000, and was driven by him for a year. He was then sold to Mr. Bonner for $700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $710,000, and was driven by him for a year. He was then sold to Mr. Bonner for $720,000, and was driven by him for a year. He was then sold to Mr. Bonner for $730,000, and was driven by him for a year. He was then sold to Mr. Bonner for $740,000, and was driven by him for a year. He was then sold to Mr. Bonner for $750,000, and was driven by him for a year. He was then sold to Mr. Bonner for $760,000, and was driven by him for a year. He was then sold to Mr. Bonner for $770,000, and was driven by him for a year. He was then sold to Mr. Bonner for $780,000, and was driven by him for a year. He was then sold to Mr. Bonner for $790,000, and was driven by him for a year. He was then sold to Mr. Bonner for $800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $810,000, and was driven by him for a year. He was then sold to Mr. Bonner for $820,000, and was driven by him for a year. He was then sold to Mr. Bonner for $830,000, and was driven by him for a year. He was then sold to Mr. Bonner for $840,000, and was driven by him for a year. He was then sold to Mr. Bonner for $850,000, and was driven by him for a year. He was then sold to Mr. Bonner for $860,000, and was driven by him for a year. He was then sold to Mr. Bonner for $870,000, and was driven by him for a year. He was then sold to Mr. Bonner for $880,000, and was driven by him for a year. He was then sold to Mr. Bonner for $890,000, and was driven by him for a year. He was then sold to Mr. Bonner for $900,000, and was driven by him for a year. He was then sold to Mr. Bonner for $910,000, and was driven by him for a year. He was then sold to Mr. Bonner for $920,000, and was driven by him for a year. He was then sold to Mr. Bonner for $930,000, and was driven by him for a year. He was then sold to Mr. Bonner for $940,000, and was driven by him for a year. He was then sold to Mr. Bonner for $950,000, and was driven by him for a year. He was then sold to Mr. Bonner for $960,000, and was driven by him for a year. He was then sold to Mr. Bonner for $970,000, and was driven by him for a year. He was then sold to Mr. Bonner for $980,000, and was driven by him for a year. He was then sold to Mr. Bonner for $990,000, and was driven by him for a year. He was then sold to Mr. Bonner for $1,000,000, and was driven by him for a year. He was then sold to Mr. Bonner for $1,100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $1,200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $1,300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $1,400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $1,500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $1,600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $1,700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $1,800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $1,900,000, and was driven by him for a year. He was then sold to Mr. Bonner for $2,000,000, and was driven by him for a year. He was then sold to Mr. Bonner for $2,100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $2,200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $2,300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $2,400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $2,500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $2,600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $2,700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $2,800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $2,900,000, and was driven by him for a year. He was then sold to Mr. Bonner for $3,000,000, and was driven by him for a year. He was then sold to Mr. Bonner for $3,100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $3,200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $3,300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $3,400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $3,500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $3,600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $3,700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $3,800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $3,900,000, and was driven by him for a year. He was then sold to Mr. Bonner for $4,000,000, and was driven by him for a year. He was then sold to Mr. Bonner for $4,100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $4,200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $4,300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $4,400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $4,500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $4,600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $4,700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $4,800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $4,900,000, and was driven by him for a year. He was then sold to Mr. Bonner for $5,000,000, and was driven by him for a year. He was then sold to Mr. Bonner for $5,100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $5,200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $5,300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $5,400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $5,500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $5,600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $5,700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $5,800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $5,900,000, and was driven by him for a year. He was then sold to Mr. Bonner for $6,000,000, and was driven by him for a year. He was then sold to Mr. Bonner for $6,100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $6,200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $6,300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $6,400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $6,500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $6,600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $6,700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $6,800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $6,900,000, and was driven by him for a year. He was then sold to Mr. Bonner for $7,000,000, and was driven by him for a year. He was then sold to Mr. Bonner for $7,100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $7,200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $7,300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $7,400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $7,500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $7,600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $7,700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $7,800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $7,900,000, and was driven by him for a year. He was then sold to Mr. Bonner for $8,000,000, and was driven by him for a year. He was then sold to Mr. Bonner for $8,100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $8,200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $8,300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $8,400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $8,500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $8,600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $8,700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $8,800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $8,900,000, and was driven by him for a year. He was then sold to Mr. Bonner for $9,000,000, and was driven by him for a year. He was then sold to Mr. Bonner for $9,100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $9,200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $9,300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $9,400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $9,500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $9,600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $9,700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $9,800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $9,900,000, and was driven by him for a year. He was then sold to Mr. Bonner for $10,000,000, and was driven by him for a year. He was then sold to Mr. Bonner for $10,100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $10,200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $10,300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $10,400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $10,500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $10,600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $10,700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $10,800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $10,900,000, and was driven by him for a year. He was then sold to Mr. Bonner for $11,000,000, and was driven by him for a year. He was then sold to Mr. Bonner for $11,100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $11,200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $11,300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $11,400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $11,500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $11,600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $11,700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $11,800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $11,900,000, and was driven by him for a year. He was then sold to Mr. Bonner for $12,000,000, and was driven by him for a year. He was then sold to Mr. Bonner for $12,100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $12,200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $12,300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $12,400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $12,500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $12,600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $12,700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $12,800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $12,900,000, and was driven by him for a year. He was then sold to Mr. Bonner for $13,000,000, and was driven by him for a year. He was then sold to Mr. Bonner for $13,100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $13,200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $13,300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $13,400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $13,500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $13,600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $13,700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $13,800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $13,900,000, and was driven by him for a year. He was then sold to Mr. Bonner for $14,000,000, and was driven by him for a year. He was then sold to Mr. Bonner for $14,100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $14,200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $14,300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $14,400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $14,500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $14,600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $14,700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $14,800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $14,900,000, and was driven by him for a year. He was then sold to Mr. Bonner for $15,000,000, and was driven by him for a year. He was then sold to Mr. Bonner for $15,100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $15,200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $15,300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $15,400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $15,500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $15,600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $15,700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $15,800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $15,900,000, and was driven by him for a year. He was then sold to Mr. Bonner for $16,000,000, and was driven by him for a year. He was then sold to Mr. Bonner for $16,100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $16,200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $16,300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $16,400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $16,500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $16,600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $16,700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $16,800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $16,900,000, and was driven by him for a year. He was then sold to Mr. Bonner for $17,000,000, and was driven by him for a year. He was then sold to Mr. Bonner for $17,100,000, and was driven by him for a year. He was then sold to Mr. Bonner for $17,200,000, and was driven by him for a year. He was then sold to Mr. Bonner for $17,300,000, and was driven by him for a year. He was then sold to Mr. Bonner for $17,400,000, and was driven by him for a year. He was then sold to Mr. Bonner for $17,500,000, and was driven by him for a year. He was then sold to Mr. Bonner for $17,600,000, and was driven by him for a year. He was then sold to Mr. Bonner for $17,700,000, and was driven by him for a year. He was then sold to Mr. Bonner for $17,800,000, and was driven by him for a year. He was then sold to Mr. Bonner for $17,900,000, and was driven by him for a year.
