Attorney General Battand Hon, James A.

I am of opinion, that by default of payment of the instalment due July 18t, 1861, for thirty days, the Lottery Grant to Richard France became subject to forfeiture, at the option of the State, unde the provisions of the fifth section—and that the exercise of that option not being delegated in the statute to any officer, and being an act of his discretion, it rests with the Legislature to determine whether the forfeiture shall be enforced, and the privilege of drawing Lotteries cease, or whether fortesture shall be waited, and the subsequent instalments collected from France, his surety or his

I am also of opinion that the privilege granted though subject to forfeiture, may be lawfully exercised by the assignee of France since the payment of the instalment due July 1st, 1861, though undoubtedly a Court of Equity would have granted a temporary injunction against the enjoyment of Congress will never sauction that. The law, as the privilege whilst the over-due instalments remained uppaid until the Legislature had again assembled and determined either to enforce or waite the forfeiture incurred by non-payment.
