LOOK OUT! "Caution" is the Parent of Safety. A lively preface by using (when the premonitory symptoms are felt) the celebrated "PILLS" for Biliousness. There are more than one thousand people in this city, and in the United States an immense number, who have suffered beyond endurance by this dreadful complaint, who keep themselves wholly free from attacks by applying this Liniment when they feel any symptoms of its approach—this there is the most perfect proof. None genuine without the name of CONROCK & Co., written on the wrappers. SOLOMON HAYS, G. W. ANDREWS, S. S. HANCE, and Dr. DAVIS. mh22-cotm
