TEACT nearly adjoining, with its great capital of SIX MILLIONS OF DOLLARS, will, by its expenditure, immediately develop the resources of PURVIANUE tract. Topography and mineral advantages are almost identical, as West Virgiala maza Will show. Wadsworth Company, with their proposed catital of six millions of dellars, must seen, in selfdefence, proceed to develop their valuable territory, and every thousand dellars by them spent must aid and redound to edvantage of large PURVIANCE tract, which, in point of fact, being lower cours the Great Ria River, towards Great Kanawka and Ohio, (fronting Great Eth about this and a half miles.) has preportionably greater advantages than the Watswor h. The mineral and cal region, it is believed, is almost entirely the same. Tracts nearly adjoining. In a word, it is believed that no very large tract now effering in West Virginia effere greater advantages than the Purviance tract above, at prices expected for it.
