May 1.st

Nov. 10.th

May 12th. By consent of the Bishop of Maryland and Call of the Vestry, the Rev'd Geo. W. Lyles became Rector of St. Thomas Church & Chapels on the above date. The Church building, being a small wooden structure, was very much out of repair. The congregation, small at best, had gradually fallen off, until a handful of faithful workers remained, and these were disheartened and well nigh ready to give up.

St. Andrew's, a Mission Chapel, was even in a worse condition than the parish church. The building, a wooden one, much defaced and the paper from the windows entirely gone.

The congregation, being without regular service for some months, had greatly scattered, while those who remained were much discouraged.

St. Clement's, a second Mission Chapel of the Parish Church, is a pretty building, and in much better condition than either of the others. The congregation has wholly disappeared by removals and other natural causes, and in consequence no service has been held there, though the Rector hopes to revive the work again in the near future.

The Horse, carriage and Rectory furniture having been disposed of, it became necessary to replace them which was done at a cost of about ($800.00) three hundred dollars. The money was raised by the congregation.

Nov. 10th. The old furnace, being insufficient to heat the Church, was replaced by a new one at a cost of $75.00.

Reverend and Dear Sir:

At a Meeting of the Vestry of St Thomas Church held July 20th 1868. Your letter of resignation was read and considered and the undersigned Committee appointed to draft and present to you suitable resolutions relative thereto.

In performance of their duty the Committee beg to submit the following Preamble and Resolutions:

Whereas Reverend William Brayshaw has tendered to this Vestry his resignation as Rector of St Thomas Church to take effect August 14th ensuing. and

Whereas the Wardens and Vestry would desire to acknowledge the inestimable services and unceasing labors of their Rector during the period of his incumbency.

Therefore

Resolved by the Vestry of St Thomas Church that we appreciate and recognize the great and good work which our Rector Mr Brayshaw has accomplished in our Church and the Community since his advent among us. and that we accept his resignation with profound regret regarding it as our duty not to oppose his entry into a new and perhaps greater field of Christian usefulness to which we believe he has been providentially called.

Baltimore 20th April 1859

Reverend Sir

I feel contribute much to the despatch of business at the approaching Diocesan Convention and to the shortening of its sessions. for the Secretary to have in advance of its Meeting a List of those who are to be the Lay Delegates

And especially I think the Convention will acknowledge the ensement of its proceedings which will be afforded by having also in advance the Signature of the said Delegates respectively to the Declaration that I have called to be appended to the enclosed Certificate of

Election

The system can be [illegible] to certainty if the several Vestries will take the precaution at the time of electing their proper Delegate, to elect also one to serve as Alternate: inserting his name too, in the Certificate as in the accompanying Form and obtaining his Signature Witness to the Declaration

Be so good then as to procure that the enclosed be duly executed and forwarded to me by mail on or before 1st May next and by thus indulging me you will oblige

Your faithful servant

J H Alexander

Secretary of Convention

The Vestry having fully considered the object of said Circular it was on Motion Resolved

That R W Templeman be our Delegate to the coming Convention and that Guillme R Delaney be Alternate.

Those Gentlemen being present and having accepted said appointments it was further Resolved

That the blanks in the Certificates and Declaration referred to in said Circular and herewith accompanying be filled to read as follows

THE CANONICAL REGISTER OF

MARRIAGES

COMPILED IN ACCORDANCE WITH

The Canons of the Church in the
United States of America

MOREHOUSE-GORHAM CO.
NEW YORK

HOW TO USE THE MARRIAGE REGISTER

The Canons of the Church governing the Solemnization of Holy Matrimony require that the Minister shall record in the proper register the date and place of the marriage, the names of the parties and their parents, the age of the parties, their residence, and their Church status, and the witnesses and the Minister shall sign the record.

A convenient way to secure these signatures will be to have the Marriage Register, lying open at the appropriate page, resting on a table standing in the Church Porch, pen, ink, and writing conveniences being also provided. The preliminary entries prior to the signatures should have been made in advance. As the bridal party passes out of the Church, they should be stopped as they pass the table, and the signatures should then and there be affixed. The bride, signing first, should append her full signature, thus: "Mary Elisabeth (Jones) Smith," her maiden name being within the parentheses. The signature of the groom will follow, then those of "at least two witnesses." Space is provided in the Register for the signatures of eight witnesses. The officiating minister should sign last of all, immediately after he has returned from the vestry, and before the Register has been removed from the table.

Detailed instructions should have been given to the Bridal party in advance, as to order and place of signatures and as to the style of the signature of the Bride; and an usher or attendant should have the custody of the Register and the table which supports it, continuously, before, during, and after the solemnization, until the Register is removed from the Church.
