WORCESTER COUNTY FOREST CONSERVATION NOTE FOR LOT 3

In accordance with Subtitle V, Section 1-403(b)(23) of the Natural Resources Article of Worcester County Code of Public Local Laws, this minor subdivision located in the A-1 and C-1 zoning districts as defined in the Worcester County Zoning and Subdivision Control Article is exempt from the County's Forest Conservation Law since the proposed lot contained within its boundaries a building, structure or use of land that required a zoning or building permit and existed as of July 29, 1994, if the subdivision does not result in any cutting, clearing, or grading of a forest; and it is not a resubdivision of a lot previously subdivided as an exemption pursuant to this subsection. Furthermore, any future approval of this land for a regulated activity shall be subject to the County's Forest Conservation Law.

LOCATION MAP • NOT TO SCALE

WORCESTER COUNTY ENVIRONMENTAL PROGRAMS

This subdivision is approved interim individual water supply and sewage disposal systems in accordance with the County Comprehensive Water and Sewer Plan. The applicant or any future owner must discontinue use of these systems and connect to the community system(s) when available. The disposal systems are RESTRICTED TO SPECIAL DESIGNS meeting current Environmental Programs standards. Water supplying the wells shall be from a confined aquifer (approximately 50' feet below the ground level) or some deeper aquifer. (For each dwelling unit, a minimum of 10,000 sq. ft., exclusive of buildings, easements, right-of-ways and such other permanent or physical objects, shall be provided for the subsurface disposal of sewage). Soil evaluations were completed based on existing elevations. Any alterations of elevations or changes in grade are prohibited without prior approval of this office.
