WORCESTER COUNTY PLANNING AND ZONING COMMISSION

The grant of a permit or approval of this subdivision shall not constitute a representation, guarantee or warranty of any kind by Worcester County or by any official or employee thereof of the practicability, buildability or safety of any proposed use, and shall create no liability upon the County, its officials or employees. Any approval by the Department of the Environment of any sewer or water system or suitability therefore is based upon State and County standards existing as of the date of approval. Such standards are subject to change and a building permit may be denied in the future, in the event current standards cannot be met as of the date of application for such permit. The approval shown hereon is not sufficient approval for a building permit. Worcester County does not guarantee the development or construction of any amenities shown on this plat. All such amenities shall be the responsibility of the owner and developer of this subdivision.
