

PLANNING COMMISSION
 A. "The grant of a permit or approval of this subdivision shall not constitute a representation, guaranty, or warranty of any kind by Worcester County or by any official or employee thereof of the practicability, buildability, or safety of any proposed use and shall create no liability upon the County, its officials or employees."
 B. "Any approval by the Environmental Programs Division of any potable water or wastewater system or suitability thereof is based upon state and county standards existing as of the date of approval. Such standards are subject to change and a permit may be denied in the future. In the event that current standards cannot be met as of the date of application for such permit, the approval shown hereon is not sufficient approval for a permit."
 C. "The following streets, roads, amenities and improvements are hereby offered for dedication to the County Commissioners for Worcester County: A 10' foot-wide strip across the front of Agricultural Parcel 1 and the adjoining roadway is offered in dedication for the future widening of HALL ROAD. Acceptance of such offer may take place at any time by appropriate act of the County Commissioners. The County Commissioners are in no way required to accept such offer. The offer may not be withdrawn without the consent of the County Commissioners."

WORCESTER COUNTY ENVIRONMENTAL PROGRAMS
 This subdivision is approved for an agricultural use requiring an on-site water supply. This lot is NOT APPROVED for on-site sewage disposal. Any future approval for on-site sewage will first require a seasonal soil evaluation based on the regulations in effect at that time. Water supply here is currently approved for agricultural use only. Future use for human consumption will first require that the supply be tested for potability standards.
 In order to convert said lot to buildable status, a revised subdivision plat must be approved and recorded in the Land Records of Worcester County.
