Boundary Line Adjustment Between Lands of Ronald Smith et ux
Northeast Side of Pitts Road

Environmental Programs

The purpose of this plat is to approve a boundary line adjustment between two non-conforming parcels with existing approved on-site water and sewage disposal systems. This does not indicate that the quality of these systems has been evaluated. This subdivision is approved for interim individual water supply and sewage disposal systems in accordance with the County Comprehensive Water and Sewer Plan. The applicant or any future owner must discontinue use of these systems and connect to the community system(s) when available.

Approving Authority - Worcester County

Worcester County Planning & Zoning Commission

The grant of a permit or approval of this subdivision shall not constitute a representation, guarantee, or warranty of any kind by Worcester County or by an official or employee thereof of the practicability or safety of any proposed use, and shall create no liability upon the County, its officials or employees.

Any approval by the Environmental Programs Division of any potable water or wastewater system or suitability thereof is based upon State & county standards existing at the date of approval. Such standards are subject to change and a building permit may be denied in the future. In the event current standards cannot be met as of the date of application for such permit, the approval shown hereon is not sufficient approval for a permit.

The following streets, roads, amenities and improvements are hereby offered for dedication to the County Commissioners A 10' Wide strip across the front of Church Street and Pitts Road and the adjoining roadway is offered in dedication for the future widening of Church Street and Pitts Road. Acceptance of such offer may take place at any time by appropriate act of the County Commissioners. The County Commissioners are in no way required to accept such offer. The offer may not be withdrawn without the consent of the County Commissioners.
